Description

RTG™ Stainless Steel Cleaner and Polish maintains a bright, clean finish on equipment in kitchens, laboratories, offices, restaurants and other institutional applications. It is excellent for use in elevators and on architectural steel. Labor saving “one-step” formula shines as it cleans, leaving a soil resistant coating that makes future clean ups an easy task. Pleasant lemon fragrance.

Features...Benefits

- Ready to Use Convenient
- “One-Step” Formula Labor Saving
- Safe on Metal Surfaces Protects Facility Investment
- Resists Resoiling Labor Saving
- Pleasant Fragrance Pleasant to Use

Directions

Shake before use to insure best results. Spray sparingly over surface to be polished. Can also be applied by cloth. Wipe clean with a damp cloth. Heavily soiled surface may require repeat application or “dwell time” of up to a minute on the surface before wiping. Polish to a bright finish with a clean, dry cloth.

Safety Information

KEEP OUT OF REACH OF CHILDREN

WARNING

Contains petroleum distillates. Harmful if swallowed. Avoid eye and skin contact. Do not take internally. In case of eye or skin contact, flush with plenty of water. If swallowed, do not induce vomiting. Get medical attention.
