# Brewguard™ Heavy Duty CIP Cleaner

## DESCRIPTION AND APPLICATION

---

**Brewguard™ Heavy Duty CIP Cleaner** is a liquid alkaline CIP detergent formulated for circulation, soak, and spray cleaning of brewery processing equipment. Ideal for heavily soiled areas such as the brewhouse.

## FEATURES AND BENEFITS

---

- Low foaming, highly alkaline cleaner is ideal for CIP applications
- Specially formulated to provide long lasting stability during extended high temperature cleaning
- Highly soluble liquid formulation mixes easily with water providing uniform solutions
- Built-in water conditioners with heavy duty chelates to prevent scale formation
- Clear, residue-free rinsing – leaves stainless steel bright and shiny
- Non-corrosive to stainless steel at recommended use dilutions

## USE DIRECTIONS

---

- Kegs, Bright Tanks, Fermenters: 2 – 3 oz. of product per gallon of water
- Brewhouse CIP: 4 to 6 oz. of product per gallon of water
- Consult your Shepard Bros. Inc. representative for specific use instructions and recommended dispensing equipment

## PROPERTIES AND SAFE HANDLING

---

A Safety Data Sheet containing detailed information regarding the properties and safe handling of **Brewguard™ Heavy Duty CIP Cleaner** is available on request and should be carefully reviewed prior to using this product.

(Rev. 3/2015)

The technical information and use suggestions herein are presented in good faith and are believed to be reliable. They do not constitute a part of our terms and conditions of sale unless specifically incorporated in our Order Acknowledgement. Nothing herein shall be deemed to constitute a warranty, expressed or implied, that said information or data are correct, or that the product described is merchantable or fit for a particular purpose, or that said information, data or product can be used without infringing patents of a third party. The purchaser must determine individually, by preliminary tests or otherwise, the suitability of this product for the intended purpose.
