DS-88

Buffered Alkaline Cleaner

PRODUCT DESCRIPTION

DS-88 is a powdered alkaline cleaner formulated for the cleaning of bake pans, churns and food product containers.

PROPERTIES

- Biodegradable and free rinsing.
- Built-in water conditioners with heavy duty chelates.
- Contains rust inhibitors, which prevent corrosion of tin, aluminum and other soft metals.

BENEFITS

- Works in most water conditions.
- Leaves stainless steel bright and shiny - prevents hard water precipitates.
- Dissolves fats and proteins quickly and easily.

DIRECTIONS

For light duty cleaning use 1 to 2 oz/gallon

For heavy duty 4 to 8 oz may be necessary.

Consult your Shepard Brothers representative for specific use instructions and recommended dispensing equipment.

PROPERTIES AND SAFE HANDLING

A Safety Data Sheet containing detailed information regarding the properties and safe handling of **DS-88** is available on request and should be reviewed prior to using this product.

(Rev. 3/17)

The technical information and use suggestions herein are presented in good faith and are believed to be reliable. They do not constitute a part of our terms and conditions of sale unless specifically incorporated in our Order Acknowledgement. Nothing herein shall be deemed to constitute a warranty, expressed or implied, that said information or data are correct, or that the product described is merchantable or fit for a particular purpose, or that said information, data or product can be used without infringing patents of a third party. The purchaser must determine individually, by preliminary tests or otherwise, the suitability of this product for the intended purpose.
