SB-PERACETIC ACID FV - E

SANITIZER

PRODUCT DESCRIPTION

SB-PERACETIC ACID FV - E is an EPA registered peroxyacetic acid sanitizer for use in fruit and vegetable harvesting, processing and packing operations. **SB-PERACETIC ACID FV - E** is used for sanitizing field harvest equipment, packinghouses, and surfaces such as conveyors processing equipment and containers. **SB-PERACETIC ACID FV - E** is also used for the treatment of processing waters and for the direct treatment of raw, post harvest and fresh cut, unprocessed fruit and vegetable surfaces.

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

ADVANTAGES AND BENEFITS

- **SB-PERACETIC ACID FV - E** is a highly effective antimicrobial agent on non-public health microorganisms that may cause spoilage or decay. Controlling these microorganisms means reduced product losses, increased shelf life, and improved profitability.
- **SB-PERACETIC ACID FV - E** is safe and effective on a wide variety of fruits and vegetables.
- **SB-PERACETIC ACID FV - E** is an easy-to-use, multiple application sanitizer that eliminates the need for additional separate products to sanitize fruits and vegetables, processing waters, harvesting equipment, conveyors, containers, processing equipment and packinghouses.
- **SB-PERACETIC ACID FV - E** is a completely biodegradable, environmentally friendly product.

USE DIRECTIONS

Refer to the EPA registered label for a complete list of allowed use applications and the product dosages for each.

PROPERTIES AND SAFE HANDLING

A Safety Data Sheet containing detailed information regarding the properties and safe handling of **SB-PERACETIC ACID FV - E** is available on request and should be reviewed prior to using this product.

(Rev. 10/16)

The technical information and use suggestions herein are presented in good faith and are believed to be reliable. They do not constitute a part of our terms and conditions of sale unless specifically incorporated in our Order Acknowledgement. Nothing herein shall be deemed to constitute a warranty, expressed or implied, that said information or data are correct, or that the product described is merchantable or fit for a particular purpose, or that said information, data or product can be used without infringing patents of a third party. The purchaser must determine individually, by preliminary tests or otherwise, the suitability of this product for the intended purpose.
