

Dear Guests,

our hotel is allowed to reopen for tourist guests from May 21st 2021. However, there are some requirements and restrictions associated with this opening. We ask for your understanding!

- On arrival a **negative PCR test** that is not older than 24 hours or a negative antigen rapid test that is not older than 24 hours must be presented. Confirmation from a doctor, pharmacy or test center serves as proof.
- People who have been **vaccinated twice** and whose last vaccination is at least 14 days ago, who have been vaccinated with a vaccine approved in the EU and who can provide evidence of a vaccination certificate in German, English, French, Italian or Spanish, may spend the night without a test in an electronic document.
- Even those who have **recovered** are allowed to spend the night without a test. Persons are considered to have recovered if they have proof of the presence of a previous infection with the SARS-CoV-2 coronavirus in German, English, French, Italian or Spanish or in an electronic document if the underlying testing is carried out using a PCR method and is at least 28 days, but no more than six months ago. Both recovered and vaccinated people must not have any typical symptoms of infection with the SARS-CoV-2 coronavirus.
