

Number Explorer Missions

Spot a 1 when you are out and about

Find something that comes in a pair for Two

Hop on the spot 3 times

Do 5 star jumps! High Five!

Play Together

Colouring fun! If you and your little learner have been working on these missions, you deserve a treat! Why not take some time to colour the poster together? You could use 5 different colours - red for One, orange for Two, yellow for Three, green for Four and blue for Five.

For your next mission, find the episode 'Blockzilla'
