Here's how to make your own story!

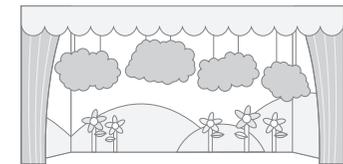

1. Find a big cardboard box and carefully cut off the top lid and bottom. Keep these for later.

2. On the front draw and colour in curtains like this. Then cut out the middle.

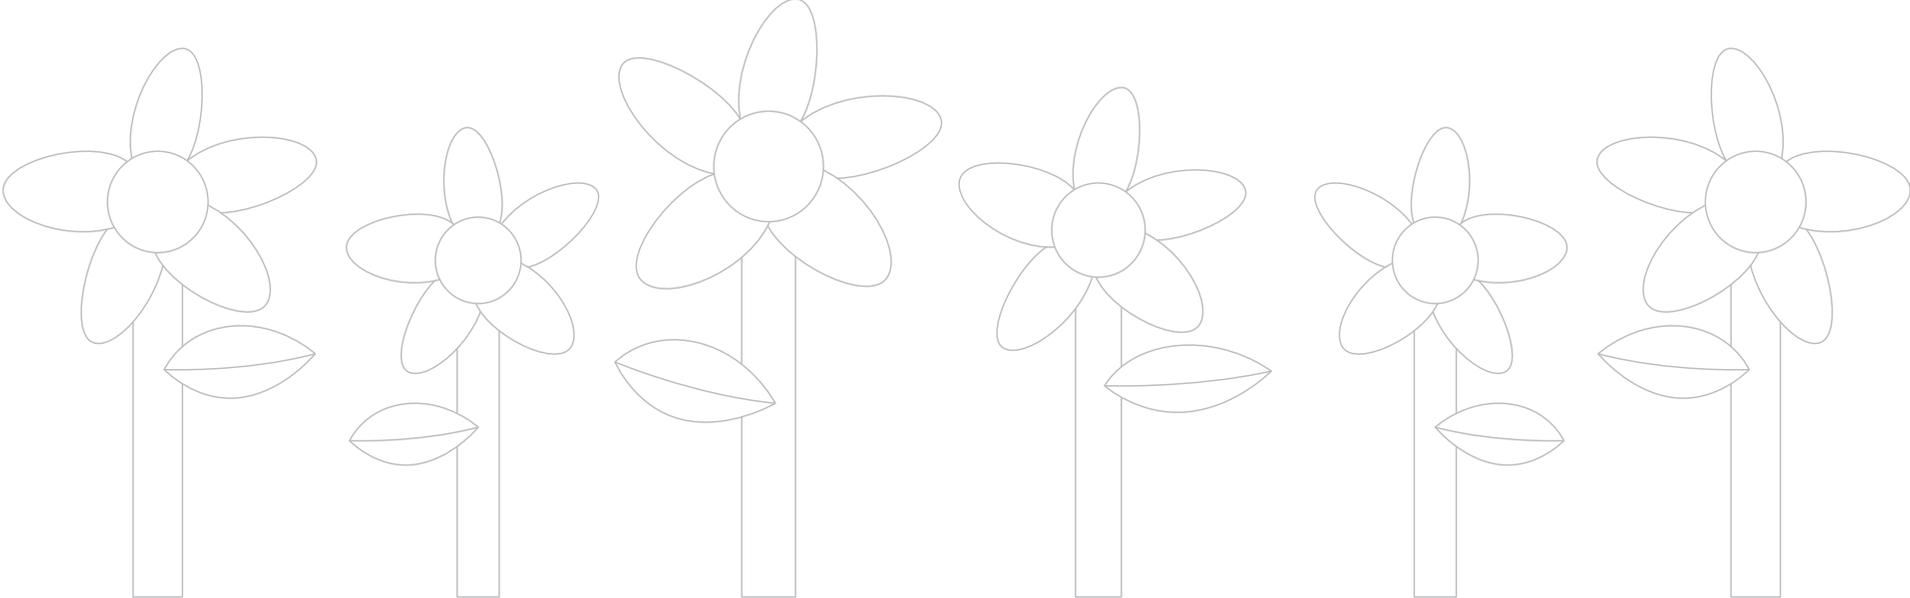

3. On the inside walls draw and colour in some hills. Then cut out and colour in the flowers on page 2 and stick them along the back of the backdrop to create Numberland..

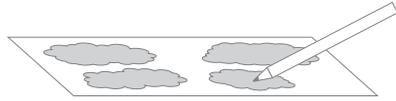

4. Follow the instructions on page 3 to make the clouds. Finally, follow the instructions on page 4 to make the pelmet and stick the curtains together.

Background flowers

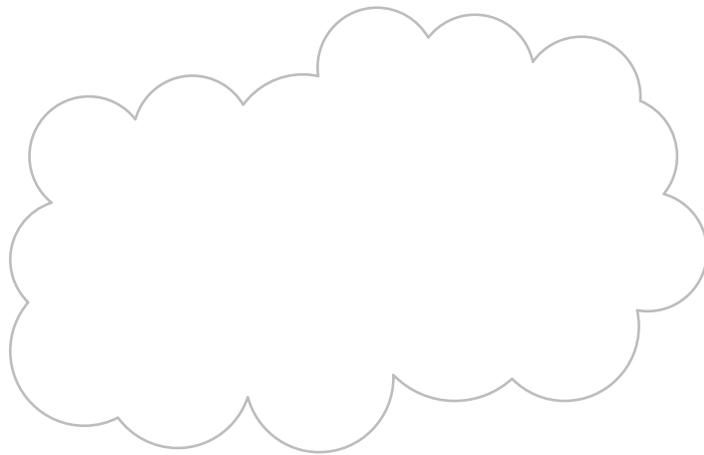

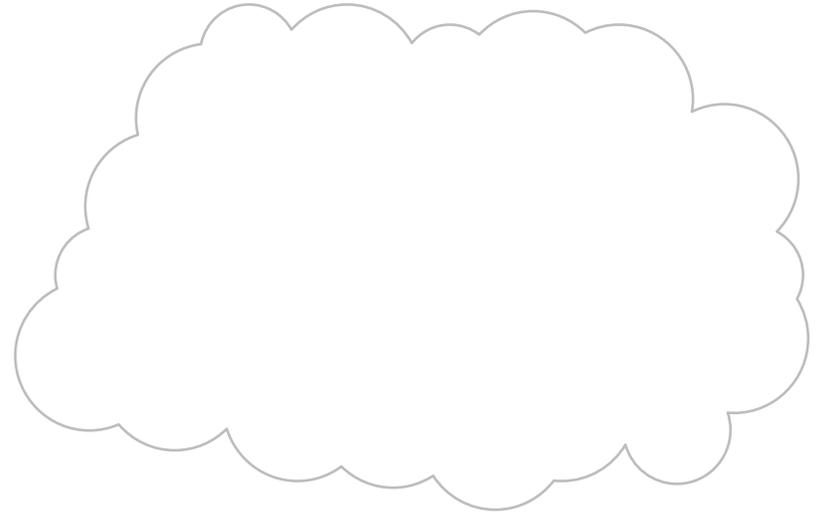

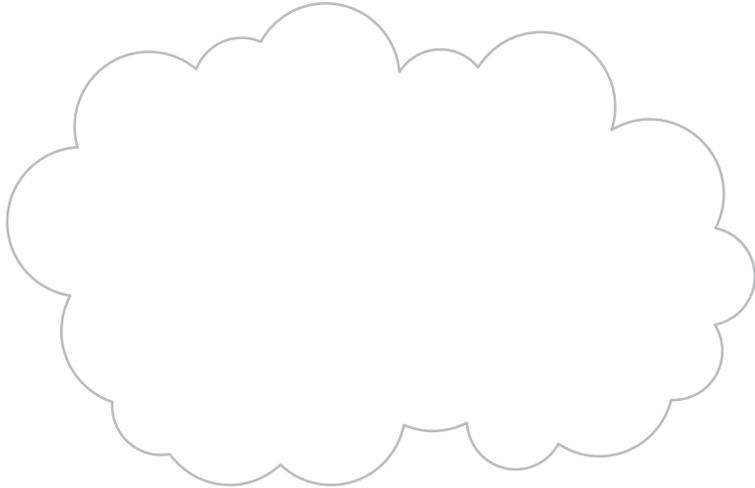

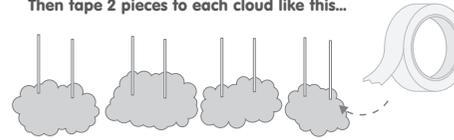

Clouds

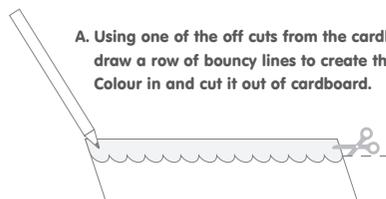

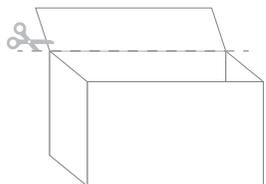

- A. Print and cut out the clouds below. Glue your clouds on a sheet of cardboard. You could use one of your off cuts from the box.
- B. Colour in the clouds and cut them out of the cardboard.

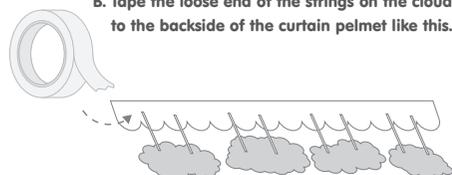

- C. Cut out 8 pieces of string 10 cm long. Then tape 2 pieces to each cloud like this...

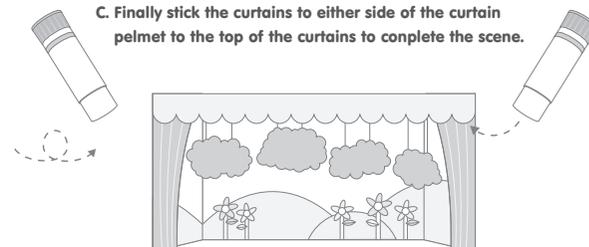

Curtain pelmet

A. Using one of the off cuts from the cardboard box, draw a row of bouncy lines to create the curtain pelmet. Colour in and cut it out of cardboard.

B. Tape the loose end of the strings on the clouds to the backside of the curtain pelmet like this...

C. Finally stick the curtains to either side of the curtain pelmet to the top of the curtains to complete the scene.
