

# Number Explorer Missions

How many fingers on 2 hands? Add 1 more. How many does that make?

Spot the number 11 on a sign when you are out

Kick or throw a ball 11 times

Draw a football team of 11 Numberblobs

## Play Together

Making Eleven! Print the Numberblocks cards provided and pop them in a pile. Turn over the top two cards and ask your little learner whether they can be added together to make 11. If they can, keep the pair. Keep going and see how many different pairs you find.
