Introducing the new HaloHomeIR™ - A Breathe & Detox Home Wellness Suite with 5-Sensory Experience

The HaloHomeIR™ is the first sauna to offer a synergistic combination of Infrared Saunas (manufactured by Clearlight Infrared) and Halotherapy (provided by Halotherapy Solutions, LLC). It has been created to engage all 5 senses for a truly transformative wellbeing experience. TASTE the salty air, SMELL the essential oil, custom blended for our HaloHomeIR™, FEEL the warmth of the infrared heat as it envelops your body, HEAR the soothing voice of KSARA professional guided meditation, and SEE the changing lights of the medical grade chromotherapy light waves.

With thoughtful design, driven to support an elevated wellness experience, the HaloHomeIR™, is a custom-built sauna integrated with a specialist halogenerator to maximize the efficacy of both modalities. This is the first-ever joint product development between the InfraRed industry and the Halotherapy industry to maximize both modalities.
