

# Python 3

Install Python 3 using the links below:

<https://realpython.com/installing-python/>

Video tutorial: <https://www.youtube.com/watch?v=YYXdXT2l-Gg>

Windows: <https://realpython.com/installing-python/#how-to-install-python-on-windows>

MacOS: <https://realpython.com/installing-python/#how-to-install-python-on-macos>

Linux: <https://realpython.com/installing-python/#how-to-install-python-on-linux>

# PyCharm IDE

Install the PyCharm IDE using the links below:

Installation guide - <https://www.jetbrains.com/help/pycharm/installation-guide.html>

NOTE: There are minimum criteria your computer must meet in order to successfully install PyCharm, see the System Requirements section of the above link. If your computer does not meet these requirements and you are unable to update it to meet these specs, contact me before trying to install.

Download - <https://www.jetbrains.com/pycharm/>
