

LUXANO 2

There is no alternative to quality

All light fittings from the SCHUCH program, no matter in which price range, always have one thing in common: Their outstanding quality. The LUXANO 2 from SCHUCH's basic line also keeps this promise of quality and leads to amazement. In addition to its high quality, which SCHUCH underlines with a guarantee commitment of five years, it impresses with an extremely low price.

Unbelievable, but true and a classic win-win situation for everyone!

CONVINCE YOURSELF!
