- from March 27th 2007 for the management of undertakings for collective investments as per article 101(2) of the Law of December, 17th 2010 on undertakings for collective investment;
- and from 3rd. December 2012 for discretionary portfolio management and investment advisory services as referred to in Article 101(3)(a)(b) of the Law of December, 17th 2010.

The purpose of this document is to ensure that complaints are processed in a prompt, efficient and adequate manner, in accordance with the applicable laws and regulations.

1. DEFINITIONS

A complaint is the expression of dissatisfaction by or on behalf of an Investor with a service or product provided or offered by the Company. The communication should clearly indicate that it is a complaint.

Investor complaints can take various forms and the Company, as well as each of its employees, must pay particular attention to any indication given by the investor that he is not satisfied with the level of services or communication received from the Company.

The complaint is to be distinguished from a request for information as well as expression of dissatisfaction which are solved by initial contact or by a direct corrective measure.

2. THE COMPLAINTS HANDLING OFFICER

According to the CSSF regulation 13-02 and circular 14/589, the Board of Directors is responsible for the implementation of a Company's policy related to customer complaint handling. The Compliance Officer of the Company, is in charge of the customer complaints handling ("the Complaints Handling Officer"). The name of the Complaints Handling Officer must be notified to the CSSF beforehand.

The Complaints Handling Officer is responsible for dealing with complaints fairly and promptly. If the complaint is addressed against the Complaints Handling Officer, then it is directly submitted to the Board of Directors.

Any change regarding the designated Complaints Handling Officer will be notified to the CSSF.

3. HOW TO FILE COMPLAINTS?

Investors can lodge their complaints in writing by sending:

- an email to the following address: james.doyle@ifpim.lu
- a Letter to:
The Compliance Officer
IFP Investment Management
6B route de Trèves,

The Company will ensure that local distributors and paying agents are aware of this policy and that they bring to the Complaints Handling Officer's attention any investor complaint.

For confidentiality purposes, only complaints received from investors or from persons who have the investor's express and written authorization will be considered by this procedure.

4. HANDLING OF AN INVESTOR'S COMPLAINT

Within a maximum period of 10 business days after the receipt of a customer's complaint, the Company sends to the complainant a written acknowledgement of receipts of the customer's informing him/her of:

- The name and the contact details of the person handling the complaint.
- An indicative timetable for handling the complaint.

In order to assess the complaint, the Complaint Handling Officer first looks at the subject matter of the complaint and determines whether to uphold the complaint in the first place.

During the investigation process, the Complaint Handling Officer uses all available evidence and compares the complaint to other similar complaints received. The comparison is done to ensure that all complaints are dealt with consistency by the Company. The Company endeavors to deal with each complaint as promptly as possible.

The Complaints Handling Officer will inform, in writing, the complainant about the decision it has reached on the matter no later than 30 business days after first receiving the complaint. If at the end of 30 business days, the Company is unable to reach a conclusion on the matter then the Complaints Handling Officer will inform the investor of the reasons why it has been unable to conclude on the matter.

The handling of complaints may require the intervention of a lawyer or external advisor, at the Company's expenses. In no case should this process further delay the prescriptive deadline mentioned above, unless prior notice is given to the investor that the complexity or nature of their request requires time to get a response prepared with external counsels. The Company will then provide the investor with an indicative deadline. When prepared with the assistance of a lawyer or external advisor and unless the latter advises otherwise, the response to the investor's complaint shall be signed by at least two Board Members.

Any response to an investor's complaint should be written on a letterhead, if possible sent by email as well, and in any case, scanned and saved on the Company's server. In case the response solves the complaint, no further action is necessary.

In all responses, the Complaints Handling Officer shall explain to the complainant how the complaint was assessed. If the Company decides that remedial action is appropriate in regards to the complaint, the response will detail how the Company will action the remedies.

Where the complainant did not receive a satisfactory answer from the Company, the Complaints Handling Officer will provide the client with a full explanation of the Company's position and inform the complainant in writing of the existence of the out-court complaint resolution procedure at the CSSF and either send the complainant a copy of the CSSF regulation 13-02 or the reference to the CSSF website, as well as the different means to contact the CSSF to file a request.
