

# EXPLOREZEL

BY FYB PTY LTD

The FYB Explorezel provides users with an intuitive search platform to explore documents across Micro Focus' Content Manager and Microsoft 365

Using the FYB Explorezel will provide the following benefits:

- ▶ Streamline searching of documents from M365 and Content Manager to a single platform
- ▶ Find documents, when you need it, anywhere anytime, so you can respond more efficiently to customer requests
- ▶ Embed the search bar directly into a webpage (e.g. SharePoint) to bring federated searching into any of your solutions

## Features

- ▶ Intuitive web interface enabling users to easily search documents across Content Manager and Microsoft 365
- ▶ Quick search by Microsoft 365 file name or Content Manager Record title
- ▶ Advanced searching using Content Manager search strings to return Content Manager results
- ▶ Document content searching across Microsoft 365 and Content Manager
- ▶ Easily sort search results by column headers in ascending or descending order
- ▶ Filter search results by file type, date and source
- ▶ Ability to view, edit and download documents
- ▶ Supports embedding into iframes on websites such as SharePoint
- ▶ Maintains security settings from Content Manager/M365, ensuring information is only viewed by an authorised audience
- ▶ Intuitive admin console and online help centre

## Prerequisites

- ▶ Micro Focus Content Manager 9.3x, 9.4x, 10x
- ▶ Microsoft Internet Information Services (IIS) 10
- ▶ Access to Explorezel requires the user to have a valid Content Manager license
- ▶ FYB Explorezel must be installed on a Content Manager workgroup server
- ▶ .NET 5 SDK (x64) version 5.0.302 or greater
- ▶ .ASP.NET Core Hosting Bundle version 5.0.8 or greater
- ▶ App registration on Microsoft Azure Active Directory
- ▶ Users of the application will need to have their M365 login added to their Content Manager profiles

## Terms and Conditions

- ▶ Subscription pricing

Explore your documents from a single intuitive platform with the FYB Explorezel. Contact us today to organise a demonstration and subscription pricing.
