

POWER2CM

BY FYB PTY LTD

The FYB Power2CM connector creates records in Content Manager from Microsoft Power Automate, enabling you to integrate a variety of platforms with Micro Focus Content Manager

Using the FYB Power2CM connector will provide the following benefits:

- ▶ Ensures your organisation is meeting its record keeping compliance requirements for the storage and management of documents and records within Content Manager
- ▶ Simplify and automate processes, saving time
- ▶ Provides your organisation with a complete view of business data by reducing siloed repositories

POWER2CM
BY FYB PTY LTD

Delivering the best Information Governance,
Systems and Solutions to our customers.
