MANAGEMENT INFORMATION CIRCULAR

SOLICITATION OF PROXIES

This Management Information Circular is furnished in connection with the solicitation of proxies being made by the Management of OneSoft Solutions Inc. (the "Corporation") for use at the Annual General and Special Meeting of the Corporation's Shareholders (the "Meeting") to be held on Tuesday, May 4, 2021 at the time and place and for the purposes set forth in the accompanying Notice of Meeting. While it is expected that the solicitation will be made primarily by mail, proxies may be solicited personally or by telephone by directors, officers and employees of the Corporation. All costs of this solicitation will be borne by the Corporation.

APPOINTMENT AND REVOCATION OF PROXIES

The individuals named in the accompanying form of proxy (the "Proxy") are directors or officers of the Corporation. **A SHAREHOLDER WISHING TO APPOINT SOME OTHER PERSON (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR THE SHAREHOLDER AND ON THE SHAREHOLDER'S BEHALF IN THE MEETING HAS THE RIGHT TO DO SO, EITHER BY INSERTING SUCH PERSON'S NAME IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY AND STRIKING OUT THE FOUR PRINTED NAMES, OR BY COMPLETING ANOTHER FORM OF PROXY.** A Proxy will not be valid unless it is completed, dated and signed and delivered to Computershare Trust Company of Canada, Proxy Dept., 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1 (facsimile within North America to 1-866-249-7775 or outside North America to 416-263-9524) not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting.

A Shareholder who has given a Proxy may revoke it by an instrument in writing executed by the Shareholder or by the shareholder's attorney authorized in writing or, if the Shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered either to Computershare Trust Company of Canada, Proxy Dept., 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1 (facsimile: 416-263-9524), at any time not less than 48 hours (excluding Saturdays, Sundays and holidays) preceding the time and day of the Meeting or any adjournment of it. **Only registered Shareholders have the right to revoke a Proxy. Non-Registered Holders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective Intermediaries to revoke the Proxy on their behalf.**

A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.

NON-REGISTERED HOLDERS

Only registered Shareholders or duly appointed proxyholders are permitted to vote. Most Shareholders of the Corporation are "non-registered" Shareholders because the shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares. More particularly, a person is not a registered Shareholder in respect of shares which are held on behalf of the person (the "Non-Registered Holder") but which are registered either: (a) in the name of an intermediary (an "Intermediary") that the Non-Registered Holder deals with in respect of the shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSP's, RRIFFs, RESPs, TFSA's and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited ("CDS")) of which the Intermediary is a participant. In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Corporation has distributed copies of the Notice of Meeting, this Management Information Circular and the Proxy (collectively, the "Meeting Materials") to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to Non-Registered Holders

Non-registered Shareholders should follow the directions of their intermediaries with respect to the procedures to be followed for voting their proxies. Non-registered Shareholders can also vote by telephone or the internet,

as directed by their intermediaries. Generally, non-registered Shareholders will either be provided with (a) a request for voting instructions (the intermediary is required to send to the Corporation an executed proxy form completed in accordance with any voting instructions received by it); or (b) a proxy form executed by the intermediary but otherwise uncompleted (the non-registered Shareholder may complete the proxy form and return it directly to the Corporation's share transfer agent).

In either case, the purpose of this procedure is to permit Non-Registered Holders to direct the voting of the shares, which they beneficially own. Should a Non-Registered Holder who receives one of the above forms wish to vote, the Non-Registered Holder should strike out the names of the management proxyholders and insert the Non-Registered Holder's name in the blank space provided. **In either case, Non-Registered Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the Proxy or proxy authorization form is to be delivered.**

The Corporation is sending proxy-related materials directly to non-objecting beneficial owners under NI 54-101. Management of the Corporation does not intend to pay for Intermediaries to forward to objecting beneficial owners under NI 54-101 the meeting materials and voting instruction form and accordingly, an objecting beneficial owner will not receive the meeting materials unless the objecting beneficial owner's Intermediary assumes the cost of delivery.

EXERCISE OF DISCRETION

If the instructions in a Proxy are certain, the shares represented thereby will be voted on any poll by the persons named in the Proxy, and, where a choice with respect to any matter to be acted upon has been specified in the Proxy, the shares represented thereby will, on a poll, be voted or withheld from voting in accordance with the specifications so made.

Where no choice has been specified by the shareholder, such shares will, on a poll, be voted in accordance with the notes to the form of Proxy.

The enclosed form of Proxy, when properly completed and delivered and not revoked, confers discretionary authority upon the persons appointed proxyholders thereunder to vote with respect to any amendments or variations of matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the time of the printing of this Management Information Circular, the management of the Corporation knows of no such amendment, variation or other matter which may be presented to the Meeting.

RECORD DATE

The directors have fixed March 25, 2021 as the record date for the determination of Shareholders entitled to receive notice of the Meeting. Only Shareholders of record on such record date are entitled to vote.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The holders of the common shares of record at the time of the Meeting are entitled to vote such shares, on the basis of one vote for each common share held. The common shares are the only class of shares entitled to vote.

As at March 23, 2021, of the Corporation's unlimited number of authorized common shares, 116,068,147 common shares are issued and outstanding as fully paid and non-assessable.

5. Approval of Stock Option Plan

The Corporation has adopted a stock option plan (the "**Stock Option Plan**") for senior officers, directors, employees and consultants of the Corporation. The Stock Option Plan provides for the issuance of stock options to acquire up to 10% of the Corporation's issued and outstanding capital as at the date of grant, subject to standard anti-dilution adjustment. This is a "rolling plan" as the number of shares reserved for issuance pursuant to the grant of stock options will increase as the Corporation's issued and outstanding share capital increases. At no time will more than 10% of the outstanding shares be subject to grant under the Stock Option Plan. If a stock option expires, is exercised or otherwise terminates for any reason, the number of Common Shares of the Corporation in respect of that expired, exercised or terminated stock option shall again be available for the Stock Option Plan. The principal features of the Stock Option Plan are described in more detail below.

1. The exercise price of options granted shall be determined by the board of directors in accordance with the policies of the TSX Venture Exchange.
2. The directors may allocate up to a maximum of ten percent (10%) of the issued and outstanding Common Shares as at the date of the grant of the stock options; no single participant may be issued options representing greater than five (5%) percent of the number of outstanding Common Shares in any 12 month period unless the Corporation has obtained disinterested shareholder approval; the number of Common Shares reserved under option for issuance to any one consultant of the Corporation may not exceed two (2%) percent of the number of outstanding Common Shares in any 12 month period.
3. The aggregate number of options granted to persons employed in investor relation activities must not exceed two (2%) percent of the outstanding Common Shares in any 12-month period unless the TSX Venture Exchange permits otherwise. Options issued to consultants providing investor relations services must vest in stages over 12 months with no more than one quarter of the options vesting in any three-month period.
4. The board of directors may determine the term of the options, but the term shall in no event be greater than ten years from the date of issuance.
5. Terms of vesting of the options, the eligibility of directors, officers, employees and consultants to receive options and the number of options issued to each participant shall be determined at the discretion of the board of directors, subject to the policies of the TSX Venture Exchange.

The Stock Option Plan is a "rolling" stock option plan and under Policy 4.4 of the TSX Venture Exchange ("**TSXV**"), a listed company on the TSXV is required to obtain the approval of its shareholders for a "rolling" stock option plan at each annual meeting of Shareholders. Accordingly, Shareholders will be asked to approve the following resolution:

In accordance with the policies of the TSXV, the Stock Option Plan must be approved by the majority of the votes cast with respect to the Meeting on the resolution.

6. Other Business

Management is not aware of any other matters to come before the Meeting other than those set out in the Notice of Meeting. If other matters come before the Meeting, it is the intention of the management designees to vote the same in accordance with their best judgment in such matters.

Stock option plan

The purpose of the stock option plan is to advance the interests of the Corporation by encouraging directors, officers, employees and consultants to acquire shares of the Corporation, thereby increasing their interest in the Corporation, and providing incentive for their efforts. The stock option plan generally states the vesting and expiration periods and other components of the Plan. Stock options for employees must be approved by the Corporation's Compensation Committee and Board. Exercise prices are reflective of the market value of the Corporation's common shares when the stock options are granted. Stock options that expire may be, but are generally not, replaced with a new grant of the same number and terms, subject to the Corporation's Compensation Committee and Board of Directors' normal review and approval process for granting options.

On May 20, 2020, at the Annual General and Special Meeting of the Shareholders, the shareholders approved and adopted the 10% rolling stock option plan which allowed for the granting of up to 10% of the issued and outstanding shares of the Corporation. As at December 31, 2020, the Corporation has granted and there was outstanding a total of 10,170,001 options to employees of the Corporation's operating subsidiaries and directors and officers of the Corporation. The options have been granted with a weighted average strike price of \$0.32 per share, are subject to vesting provisions and expire in five (5) years if unexercised. As at March 23, 2021, 8,967,667 stock options were outstanding.

The full text of the stock option plan is attached as Appendix "C" to this Management Information Circular. For more details see "Matters to Be Acted Upon At the Meeting – Approval of Stock Option Plan".

- **Competitive compensation** - Total compensation for an NEO is both competitive and tied to achievement of short-term financial and longer-term strategic objectives.
- **Rewarding performance** - Our NEO's are expected to work together to contribute to the success of the Corporation as a whole. Our compensation program may reward both individual and Corporation-wide achievement of objectives.

The compensation of the NEO's is primarily comprised of base salary, incentive awards and stock options. The Corporation does not benchmark its executive compensation program but from time to time does review compensation practices of comparable entities to ensure the compensation paid is competitive with other entities. The Corporation's philosophy is, within the confines of financial prudence, to pay competitive base salaries similar to those of executive officers in similar entities and also provide variable rewards to executives for corporate and individual performance. All NEO's are rewarded for their performance benefiting the Corporation in the short and long term. The provision of variable rewards serves to strengthen the connection between management's interests and those of Shareholders by aligning performance conditions of incentive plans with the Corporation's objectives and the enhancement of Shareholder value. Compensation includes base salary, benefits, vacation, and discretionary incentives that may be awarded by the Corporation's Compensation Committee and Board.

Base Salary

Each year, the Compensation Committee and the CEO review the NEOs' base salary and make adjustments based on the position's duties and responsibilities, the degree of skill and knowledge required, corporate targets, the performance and contribution of the Executive Officer and the financial capability of the Corporation. No specific external benchmarking is performed. Base pay for all non-executive employees is reviewed annually by the Corporation's Executive.

Discretionary Incentives

The objective of the Corporation's executive compensation program is to motivate, reward and retain management talent that is needed to achieve the Corporation's business objectives. In evaluating performance, the Corporation's Compensation Committee and Board considers the Corporation's long-term interests, quantitative objectives and qualitative aspects of the individual NEO's performance and achievements.

While the Corporation does not utilize a formalized compensation program with pre-determined benchmarks, the Compensation Committee and Board rely upon informal discussions with management, outside investors and certain professional and capital markets groups to determine reasonable and rewarding objectives for NEOs, while always remaining mindful that the discretionary incentives align with the overall objectives of the Corporation and interests of its stakeholders. Accordingly, discretionary incentive awards to NEOs may be granted for achievement of various objectives which may include attainment of revenue, EBITDA, cash flow, obtaining additional financing for the Corporation, customer additions, intellectual property creation and development and corporate development targets, as well as other aspects of individual performance by NEOs that enhance, or set the stage to enhance, value for shareholders.

In the year ended December 31, 2020, \$134,130 in discretionary incentives were awarded to NEO's. NEO's were directed to focus on business strategies that would result in increases in the share price of the Corporation to provide additional reward.

STATEMENT OF CORPORATE GOVERNANCE PRACTICES

The board of directors (the "Board") believes that good corporate governance improves corporate performance and benefits all shareholders. National Policy 58-201 - Corporate Governance Guidelines and National Instrument 58-101 - Disclosure of Corporate Governance Practices set out a series of guidelines for effective corporate governance.

Each reporting issuer, such as the Corporation, must disclose on an annual basis and in prescribed form, the corporate governance practices that it has adopted. The following is the Corporation's required annual disclosure of its corporate governance practices in accordance with Form 58-101F2 - Corporate Governance Disclosure.

1. Board of Directors

a. Disclose the identity of directors who are independent.

The Board considers that Randy Keith, Ron Odynski and Doug Thomson are independent according to the definition of "independence" set out in NI 52-110 as it applies to the Board.

b. Disclose the identity of directors who are not independent and describe the basis for that determination.

The Board considers that Dwayne Kushniruk is not independent as Dwayne Kushniruk is actively involved in the activities of the Corporation as Chief Executive Officer.

c. Disclose how the Board of Directors facilitates its exercise of independent judgment in carrying out its responsibilities.

The primary function of the directors of the Corporation is to oversee the management of the business and affairs of the Corporation. The Board has the responsibility to supervise the management of the Corporation which is responsible for the day-to-day conduct of the business of the Corporation. The fundamental objectives of the Board are to enhance and preserve long-term Shareholder value and to ensure that the Corporation conducts business in an ethical and prudent manner. In performing its functions, the Board should consider the legitimate interests that stakeholders, such as employees, customers and communities, may have in the Corporation. The principal responsibilities and duties of the Board fall into a number of categories which are summarized as follows: to oversee corporate performance; monitor business, strategic and financial plans; approve interim and annual financial reports; oversee financial programs and policies; appoint officers, review their performance at least annually and oversee succession planning for senior management; develop the Corporation's approach to governance issues; and approve items such as the issue, purchase and redemption of securities, capital expenditure budget, senior management compensation and benefits, including annual bonus and stock option grants.

The exercise of independent judgment is facilitated in two ways:

- David Tam, a skilled and experienced corporate securities lawyer, is a non-executive officer of the Corporation and is an active participant in all Board meetings. While Mr. Tam does not have a vote, his opinion and counsel serve to guide the Board in its decision making.
- Messrs. Odynski and Thomson are highly skilled businessmen who are experienced participants at the Corporate Board level. They freely exercise their independence to influence Board decision making to the outcomes they feel is most appropriate choice of action. Both are certified directors of the Institute of Corporate Directors and hold the ICD.D designation.

5. further information and education as deemed appropriate and desirable by the Board on an as-required case-by-case basis.

This process is overseen by the entire Board. Board members are encouraged to communicate with management, legal counsel and, where applicable, auditors and technical consultants of the Corporation; and to keep themselves current with industry trends and developments and changes in legislation which may be appropriate. Messrs.' Odynski and Thomson, as members of the Institute of Corporate Directors and their professional organizations, undertake professional development activities as required by those entities.

Employees are encouraged to identify and report on any subject or problem to management or to the Chair of the Audit Committee, on a confidential basis, and to participate in resolution thereof if they choose and are able to do so. In respect of the Employee Handbook, which contains the Policies, the Employees are required to sign that they have read it, understand it and will abide by its content. The committee has the responsibility for determining the compensation of the directors including the receipt of stock options.

7. Other Board Committees

If the board has standing committees other than the audit, compensation and nominating committees, identify the committees and describe their function.

The only standing committees of the Board are the Audit Committee, consisting of Messrs. Odynski, Thomson and Kushniruk, and the Governance and Compensation Committee, consisting of Messrs. Odynski, Thomson and Kushniruk. The committees are provided with proposals for their review and approval and they submit their recommendations to the full Board for approvals. SECTION 2 - STOCK OPTION PLAN

Participation

- 2.1 Options shall be granted only to Eligible Participants.

Determination of Option Recipients

- 2.2 The Board, or the President, if duly authorized by the Board, shall make all necessary or desirable determinations regarding the granting of Options to Eligible Participants and may take into consideration the present and potential contributions of a particular Eligible Participant to the success of the Corporation and any other factors which it may deem proper and relevant.

Price

- 2.3 The exercise price per Share shall be determined from time to time by the Board but, in any event, shall not be lower than the lowest exercise price permitted by any Exchange, if applicable.
- 2.4 Disinterested Shareholder approval pursuant to TSX Venture Exchange Corporate Finance Manual Policy 4.4 Incentive Stock Options, section 3.10, will be obtained for any reduction in the exercise price if the Optionee is an insider of the Corporation at the time of the proposed amendment to reduce the exercise price.

Grant of Options

- 2.5 The Board, or the President, if duly authorized by the Board, may at any time authorize the granting of Options to Eligible Participants as it may select for the number of Shares that it shall designate, subject to the provisions of the Plan. The Board, or the President, if duly authorized by the Board, at its or his discretion, may grant options on such terms and conditions as it or he considers appropriate provided that such terms and conditions are not inconsistent with the Plan and the policies of the Exchange, if applicable.
- 2.6 Each Option granted to an Eligible Participant shall be evidenced by an Option Agreement with terms and conditions consistent with the Plan and as approved by the Board or the President if duly authorized (which terms and conditions need not be the same in each case and may be changed from time to time).

Terms of Options and Vesting

- 2.7 The Option Period shall be of such length as is determined by the Board but in any event shall not be greater than a period of ten (10) years after the date such Option is granted and may be reduced with respect to any such Option as provided in Sections 2.15, 2.16, 2.17 and 2.18 hereof.

quarter (1/4) of the options vesting in any three (3) month period (as per TSX Venture Exchange Corporate Finance Manual Policy 4.4 Incentive Stock Options, section (3.4) (b)).

2.9 Any Options remaining unexercised after they became eligible for exercise may be exercised in whole or in part at any time during the remainder of the Option Period.

2.10 Except as set forth in Sections 2.15, 2.16, 2.17 and 2.18 hereof, no Option may be exercised unless the Options have been vested and the Optionee is at the time of such exercise a bona fide Eligible Participant.

2.11 No Option may be granted to an Eligible Employee, Eligible Consultant or an Eligible Management Company Employee unless such person is a bona fide Eligible Employee, Eligible Consultant or an Eligible Management Company Employee.

2.12 The exercise of any Option will be contingent upon receipt by the Corporation of payment of the full purchase price for the Shares being purchased in cash or in some other manner acceptable to the Corporation and in compliance with applicable laws. No Optionee or his legal representatives, legatees or distributees will be, or will be deemed to be, a holder of any Shares subject to an Option, unless and until certificates for such Shares are issued to him or them under the terms of the Plan.

Lapsed Option

2.13 If Options are surrendered, terminated or expire without being exercised in whole or in part, new Options may be granted covering the Shares not purchased under such lapsed Options to the extent permitted by the Exchange, if applicable.

Blackout Period

2.14 If the Corporation self-imposes a blackout period (e.g., preceding the release of financial results) preventing an Optionee from exercising his/her Options before the end of the Option Period, the Option Period shall automatically be extended for ten (10) business days following the last day of a blackout period.

Effect of Termination of Employment or Death

2.15 If an Optionee shall die while an Eligible Employee, Eligible Director, Eligible Consultant (if an individual), Eligible Member of Management or Eligible Management Company Employee, any vested Option held by him at the date of death shall be exercisable, but only by the person or persons to whom the Optionee's rights under the Option shall pass by the Optionee's will or the laws of descent and distribution. All such Options shall be exercisable only for a period of one (1) year after the date of death or prior to the expiration of the Option Period in respect thereof, whichever is sooner.

2.16 If an Optionee ceased to be an Eligible Participant for cause, no Option held by such Optionee may be exercised following the date on which such Optionee ceases to be an Eligible Participant.

2.17 If an Optionee ceased to be an Eligible Participant for any reason other than cause or death, any vested Option held by such Optionee may be exercised only for a period of ninety (90) days after the date on which such Optionee ceases to be an Eligible Participant.

2.18 If an Optionee who is an Eligible Consultant ceased to be retained by the Corporation by virtue of a breach of the consulting agreement, no Option held by such Eligible Consultant may be exercised following such breach.

Effect of Takeover Bid

2.19 If a bona fide offer:

2.19.1 is made to all shareholders of the Corporation for the Shares, which offer, if accepted in whole or part, would result in the offeror exercising control over the Corporation within the meaning of the Securities Act (Alberta);

2.19.2 is made for all or substantially all of the assets of the Corporation (as such concept is interpreted under the Business Corporations Act (Alberta)); or

2.19.3 is made for a proposed transaction which a majority of the Board determines is reasonably likely to have a similar effect as either of the transactions referred to in Sections 2.19.1 and 2.19.2 hereof,

(collectively, the "Offer"),

then the Corporation shall, immediately upon receipt of notice of the Offer, notify each Optionee currently holding an Option of the Offer, with full particulars thereof; whereupon, notwithstanding that such Option may not be fully vested at such time in accordance with Section 2.8 hereof, such Option may be exercised in whole or in part by the Optionee so as

to permit the Optionee to tender or to vote, as applicable, the Shares received upon such exercise (the "Optioned Shares") pursuant to the Offer. If:

- 2.19.4 the Offer is withdrawn by the offeror;
 - 2.19.5 the Optionee does not tender the Optioned Shares pursuant to the Offer, if applicable;
 - 2.19.6 all of the Optioned Shares tendered by the Optionee pursuant to the Offer are not taken up and paid for by the offeror in respect thereof, if applicable; or
 - 2.19.7 the sale or reorganization does not close in accordance with its terms,
- then the Optioned Shares or, in the case of Section 2.19.6 hereof, the Optioned Shares that are not taken up and paid for, shall be returned by the Optionee to the Corporation and reinstated as authorized but unissued Shares and the terms of the Option as set forth in Sections 2.7, 2.8, 2.9, 2.10, 2.11 and 2.12 hereof shall again apply to the Option. If any Optioned Shares are returned to the Corporation under this Section, the Corporation shall refund the exercise price to the Optionee for such Optioned Shares. In no event shall the Optionee be entitled to sell the Optioned Shares otherwise than pursuant to the Offer (in the case of an Offer pursuant to Section 2.19.1 hereof) or to sell the Optioned Shares prior to the closing of any transaction (in the case of an Offer pursuant to Section 2.19.2 or 2.19.3 hereof).

Effect of Amalgamation, Consolidation or Merger

2.20 If the Corporation amalgamates, consolidates or merges with or into another corporation, any Shares receivable on the exercise of an Option shall be converted into the securities, property or cash which the Participant would have received upon such amalgamation, consolidation or merger if the Participant had exercised his Option immediately prior to the record date applicable to such amalgamation, consolidation or merger, and the Option price shall be adjusted appropriately by the Board and such adjustment shall be binding for all purposes of the Plan.

Adjustment in Shares Subject to the Plan

2.21 If there is any change in the Shares through a consolidation, subdivision or reclassification of Shares, or otherwise, the number of Shares available under the Plan, the Shares subject to any Option, and the purchase price thereof shall be adjusted appropriately by the Board and such adjustment shall be effective and binding for all purposes of the Plan.

Approval

2.22 The terms of the Options granted from time to time hereunder, and the Optionees to whom Options are granted, are subject, if applicable, to any Exchange accepting notice of such terms and proposed Optionees.

SECTION 3 - GENERAL

Number of Shares

3.1 The aggregate number of Shares that may be available for issuance, from time to time, under the Plan shall not exceed ten percent (10%) of the issued and outstanding shares of the Corporation at the time of grant of the Options and such number shall increase or decrease as the number of issued and outstanding shares changes. Should the number of issued shares increase at any time after shareholder approval of this Plan, ten percent (10%) of the additional shares shall be available for issuance, from time to time, under the Plan. The exercise of any number of Options will correspondingly reduce that same number of Options outstanding under the Plan such that the ten percent (10%) available shall take into account the then current number of Options outstanding. Shares in respect of which options have not been exercised and are no longer subject to being exercised pursuant to the terms of any Options shall be available as further Options under the Plan.

In addition, the aggregate number of Shares so available for issuance under the Plan to any one person in any twelve (12) month period shall not exceed five percent (5%) of the issued Shares calculated at the time of grant of the Option, unless the Corporation has obtained disinterested shareholder approval (as previously set out in Paragraph 2.4 of this Plan). The aggregate number of Shares so available for issuance under the Plan to any one Eligible Consultant in any twelve (12) month period shall not exceed two percent (2%) of all issued Shares calculated at the time of the grant of any Option. The aggregate number of Options so available for issuance under the Plan in any twelve (12) month period to an Eligible Employee conducting Investor Relations Activities shall not exceed two percent (2%) of all issued Shares calculated at the time of the grant of the Option.

Transferability

3.2 All benefits, rights and options accruing to any Participant in accordance with the terms and

conditions of the Plan shall not be assignable or transferable unless specifically provided herein. During the lifetime of a Participant all such benefits, rights and options may only be exercised by the Participant.

Employment

3.3 Nothing contained in the Plan shall confer upon any Participant any right with respect to employment or continuance of employment or any retainer with the Corporation or interfere in any way with the right of the Corporation to terminate the Participant's employment or retainer at any time.

Participation in the Plan by a Participant is voluntary.

Record Keeping

3.4 The Corporation shall maintain a register in which shall be recorded:

3.4.1 the name and address of each Participant; and

3.4.2 the number of Options granted to a Participant and the number of Options outstanding.

Necessary Approvals

3.5 The obligation of the Corporation to issue and deliver Shares in accordance with the Plan is subject to the approval of any regulatory body having jurisdiction, which may be required in connection with the authorization or issuance of such Shares by the Corporation. If any Shares cannot be issued to any Participant for any reason including, without limitation, the failure to obtain such approval, then the obligation of the Corporation to issue such Shares shall terminate and any Option price paid to the Corporation shall be returned to the Participant.

Administration of the Plan

3.6 The Board is authorized to interpret the Plan from time to time and to adopt, amend and rescind rules and regulations for carrying out the Plan. The interpretation and construction of any provision of the Plan by the Board shall be final and conclusive. Administration of the Plan shall be the responsibility of the appropriate directors and/or officers of the Corporation and all costs in respect thereof shall be paid by the Corporation.

Income Taxes

3.7 As a condition of the Plan, the Corporation will withhold from any remuneration otherwise payable to such Participant any amounts required by any taxing authority to be withheld for taxes of any kind as a consequence of such participation in the Plan.

Amendments to Plan

3.8 The Board reserves the right to amend, modify or terminate the Plan at any time if and when it is advisable in the absolute discretion of the Board. Any amendment to any provision of the Plan shall be subject to approval, if applicable and if required, by any regulatory body having jurisdiction over the securities of the Corporation and, if required, by the shareholders of the Corporation in the manner prescribed by any regulatory body having jurisdiction from time to time.

3.9 Any reduction to the exercise price of an Option held by an Insider shall require such approvals as may be required by any regulatory body having jurisdiction.

Representation or Warranty

3.10 The Corporation makes no representation or warranty as to the future market value of any Shares issued in accordance with the provisions of the Plan.

Governing Law

3.11 Except as otherwise set forth herein, the Plan shall be governed by the laws of the Province of Alberta excluding any conflicts of law, rule or principle which might refer such construction to the laws of another jurisdiction.

Interpretation

3.12 Words used herein importing the singular number include the plural and vice versa and words importing the masculine gender include the feminine and neuter genders.

Compliance with Applicable Laws

3.13 If any provision of the Plan or any agreement entered into pursuant to the Plan contravenes any law or any order, policy, by law or regulation of any Exchange, if applicable, or any regulatory body having authority over the Corporation or the Plan then such provision shall be deemed to be amended to the extent required to bring such provision into compliance therewith.
