the sequences of moves to get up a climb and reaching the top gives a real buzz and will have you queueing to get on the next climb! Situated in the heart of the Yorkshire Three Peaks your optional abseil will delight and excite. Age: 8 years upwards.

### **Learn to Navigate, full-day - ~~£60~~, special offer £49pp**

Most mountain rescues these days are due to errors in navigation or unknowingly being under prepared. Are you confident that you know how to keep yourself and your loved ones safe on the hills in every eventuality? We can help! Come and join us for full day out on the hill, where the focus will be put on mountain safety, reading the map, basic compass skills and navigating safely and efficiently using a variety of techniques. Age: 12 years upwards.

### **Above and below the Dales – a geological showcase, full-day - ~~£70~~, special offer £65pp**

Guides: Your special day will be led by highly experienced, local experts Mike and Steph. Mike is a geologist and geophysicist, whilst Steph is a chemist, amateur botanist, and both are experienced cave explorers and rescuers.

Description: The day will showcase the unique and stunning geology above and below the Yorkshire Dales. We will take you on a journey on foot across the National Parks rich and diverse limestone landscape, taking in such features as its unique fauna and flora, geological features such as sinkholes, cave resurgences, faults and rock lithologies with explanations of their origins. All while discussing their significance nationally and internationally and how this knowledge has led cavers to explore the last remaining wilderness of Britain. After lunch (*not provided*), your guides will kit you out ready to explore the vast and stunning expanse beneath your feet. Showing you firsthand the features that led to their discovery before admiring the many subterranean waterfalls, fossils, intricate cave formations and all while regaling tales of life at the final frontiers of exploration. **Note:** Your caving trip will be at a friendly introductory level but will require a moderate level of fitness. No squeezes just awe inspiring streamways we promise 😊 Age: 14 years upwards.

### **Botany learn together, a celebration of Yorkshire Dales wildflowers - £10pp adults, £5pp children**

These informal guided wildflower walks are aimed at those who'd like to get their 'eye in' and expand their knowledge of the wildflowers of the Yorkshire Dales and their whereabouts. Walks will be in the region of 1.5 to 2 hours, venue dependent, and aimed at all ages. Venues and level of difficulty will be advertised on individual sessions – most will be easy to moderate. Learning materials for aiding identification can be shared on the day. Children under 8 years old must be accompanied.

*All our activities take place within the Yorkshire Three Peaks area between Ingleton and Settle, exact venues are weather dependent. All safety equipment supplied, with kit lists provided detailing what to bring. Moderate level of fitness required. We are AALA licensed therefore children can be unaccompanied if appropriate. Consent & medical forms supplied. Not accessible for wheelchairs or push chairs. For more info email: [info@yorkshiredalesguides.co.uk](mailto:info@yorkshiredalesguides.co.uk) or phone: 01729 824455. All vouchers will be valid for 1 year from purchase, and are non-refundable.*
