

LUXURY BEACH FIRE WITH PICNIC DINNER

A TRULY ONE-OF-A-KIND EXPERIENCE

For our luxury bonfire picnic dinners, we offer full-size dinner tables and seating, tablecloths, candlelight, coolers with ice, a portable Bluetooth speaker, and customized decor depending on your needs. We create a separate seating circle around each bonfire adjacent to the dinner table. For the meal we offer a \$25 pp food credit from any local restaurant; you place the order with us prior to your event and we will pick it up and deliver it to you on the beach at your desired time. Each dinner comes with three complimentary bottles of either Champagne, Rosé, or Prosecco, and enough S'mores for everyone in your party! Max. 30 Guests. 7pm-10pm.

Note: Each fire is attended full-time by one of our staff. That person will build and maintain your fire, while catering to your every need, allowing for a truly hands-free experience. For parties over 10, we build two fire pits about 15 feet apart to allow for more spacing. For parties of more than 20, we staff an additional fire attendant, so that you have two people on hand for anything that comes up.
