Dear Parents/ Guardian,

Target Sports Coaching has provided professional sports coaching at local schools for the last 18 years. All our coaches are fully qualified, insured, DBS checked and trained in first aid. We would like to invite the children of St John Fisher Primary School to come and join our after-school clubs. The sessions will be aimed at boys & girls of all abilities, and accommodates for a maximum of 15 children per coach with groups being split by key stage 1&2. The **course** will concentrate on skill development, and team work; involving fun and creative drills and games through 5 different sports. All children attending the club must come to School on Thursday's in their PE kits. The teachers will take the children to where the coaches are waiting once the children finish school. Safety measures will be in place both before and after the sessions to ensure your child's safety whilst in our care.
