

CERTIFICATION IN COACHING

FOR BUSINESS LEADERS

with Kaley Klemp and Sue Heilbronner

The Certification in Coaching for Business Leaders and Culture Influencers enables participants to garner insights, skills, methodologies, practice, and a pragmatic set of tools to provide transformative coaching to internal leaders and team members in their organizations.

During this blended in-person and virtual six-month program, business leaders and culture influencers will acquire the tools to answer this common question, "how can I be a better coach for my direct reports?"

BECOME A BETTER COACH INSIDE YOUR ORGANIZATION

Learn to coach your organizations' leaders to:

- Operate from a place of **curiosity instead of defensiveness**
- Take **100% responsibility** for their leadership and the culture and performance of their teams
- Increase their effectiveness by functioning as **more authentic** leaders
- Develop an improved ability to give and receive **quality feedback**
- Leverage the various **personality types** of their teams for optimal performance and creativity
- Make **clear agreements**
- Communicate more consciously
- Reduce **counterproductive drama** in their organizations
- Reach a higher level of **overall satisfaction** in work and life

THE FACILITATORS

Seasoned executive and leadership team coaches and business operators **Kaley Klemp** and **Sue Heilbronner** join forces to deliver a six-month coaching certification program for business leaders and culture influencers.

"Kaley and Sue led sessions at CampMinder Camp, our business and leadership conference for summer camp professionals. Their sessions — Feedback, Pitching, and Leading from Genius — were invaluable and highly rated by the attendees. The key to Kaley and Sue's impact is that they not only help leaders grow in self-awareness about their own leadership styles, but also offer them pragmatic and actionable approaches to become transformative coaches themselves for their team members."
