

REACH Certificate of Compliance

Dear Customer:

This statement is to declare and certify that Sunshine Global Circuits Co., Ltd. understands and complies with the regulatory requirements of EU REACH (1907/2006) for the **R**egistration, **E**valuation, **A**uthorization and restriction of **C**hemicals.

After review of our materials and assessment of our products, we certify to the best of our knowledge that our products do not contain any of the Substances of Very High Concern (SVHC's) in concentrations of > 0.1% by weight. Also, Sunshine Global Circuits does not import listed substances in amounts > 1.0 metric ton per year into the EU, and therefore does not need to be registered.

The candidate list of 211 SVHC updated on Jan 19th, 2021 can be found at this website:
<http://echa.europa.eu/web/guest/candidate-list-table>

In addition, we certify our products do not contain any of the restricted substances as defined in Article 67 and Annex XVII of EU REACH.

Sunshine Global Circuits supports responsible manufacturing and our goal is to minimize the environmental impact of our products and operations. If any questions about this declaration, please feel free to contact us.

If the surface treatment required is lead HASL, the content of lead may exceed the upper limit.

Sincerely,
