EXPERIENCE

Finches

Nov 2020 - Present

Lead UI/UX Designer

Finches is the parent company for a collective of early stage technology platforms with a focus on consumer product and rapid development.

Project: Hmmngbrd

Jun 2022 - Present

- Elevated and actualized existing conceptual wireframes into a fully formed and user-tested experience.
- Collaborated with an outside development team to achieve a functional MVP on an accelerated timeline. (Beta release date: Jan 2023)

Project: Sparrows

Nov 2020 - Present

- Led all elements of design including research, user testing, conceptual design, wireframes, prototypes and high fidelity comps ready for out developers to execute in code.
- Beta 2.0: www.sparrows.co

STM Brands

Mar 2019 - Dec 2019

Senior Industrial Designer

Designed consumer electronic accessories including discretionary items for Apple, Samsung, and Microsoft.

SKLZ Pro Performance Sports

Sep 2015 - Oct 2018

Every product was heavily researched, conceptualized, prototyped, user and quality tested with brand consideration.

Industrial Design Manager

Aug 2017 - Oct 2018

Led and mentored a team of designers while being the voice of user-centered design in strategic cross-disciplinary discussions. This was a player-coach role.

Senior Industrial Designer

Sep 2015 - Aug 2017

Designed a catalog of product across sport and sales channels in collaboration with engineering, development, and manufacturing.

ACCO Brands

Feb 2013 - Sep 2015

Industrial Designer

Designed and developed office products across numerous brands in B2B and B2C channels. Secured product placement over competitors in mass market retailers like Target, Walmart, and Staples.
