

Road Trips

Algonquin Park - Bruce Peninsula - Sauble Beach

June 2ND - 7TH, 2021

DAY 1 | WEDNESDAY

Welcome to your Home on Wheels

Your day will start by picking up your RV in Brampton, Ontario just outside of Toronto. You and your crew will be assigned an RV and will be given a brief orientation on how to operate your home on wheels and its many awesome features.

Next, you hit the road! Destination - Algonquin Park. Upon arrival, we will let you settle at your campground and enjoy the essence of the park's vast interior of maple hills, rocky ridges, and thousands of lakes. The first day will be dedicated to relaxing in nature in preparation for the active days to come!

DAY 2 | THURSDAY

Canoe Exploration

Good morning camper! After a hearty breakfast in your luxurious home in the woods, you will head out on a day-trip by canoe.

Prepare to be amazed by the serenity of Canadian lakes surrounded by deep forest for as long as the eye can see. Your Tryp Director will guide you through some of the most gorgeous lakes that Algonquin Park has to offer. The route will give you the opportunity to cross four different lakes and make a short portage with your canoe. Keep your eyes open, wildlife in the area is vast. If you're lucky you will come across a moose or two!

DAY 3 | FRIDAY

The Bruce Peninsula

Get your favourite car jams ready for the long but worthy ride! Today we pack up and ride West to a diamond in the rough found along the coast of the Georgian Bay. Lion's Head, named after a lion-like rock formation in the Niagara Escarpment, is a cute Canadian community with a stunning horizon and impressive lookouts. This day will be dedicated to settling in our campsite along the clear water and exploring the charm of the town of Lion's Head.

DAY 4 | SATURDAY

Crystal Clear Water

We start the morning with a gorgeous hike through Lion's Head Provincial Park. Your Tryp Director will guide you to an unforgettable lookout of limestone cliffs and clear blue shorelines. You don't have to travel to the Caribbean to swim in baby blue water. Ontario has its own very special spot that even not many locals have witnessed themselves - The Grotto. It's one of Mother Nature's crown jewels. The turquoise pool of water and intricate cave structures are mesmerizing. We will spend the day hiking, admiring, and swimming alongside The Grotto and its tropical surroundings.

DAY 5 | SUNDAY

Beach Vibes

Next, our caravan heads south of the Bruce Peninsula. We will make a pit stop and enjoy a picnic lunch overlooking Sauble Falls. Finally, we make our way to one of the largest freshwater beaches in all of Canada. Sauble Beach stretches over 11 KM long and promises the most beautiful sunset in the province. After a well deserved rest, the remainder of the day will be dedicated to some fun in the sun and living the ultimate Canadian beach life.
