

Only For You

Words & Music by Josh Huirua, Daniel Sharp & Kenan Stephenson | CCLI #7178117

Verse 1

You fuel the fire
In my heart
That burns for You

Verse 2

I offer up
My whole heart
And worship You

Pre-Chorus

I surrender to You, God
I'm longing for more of You
So desperate for You, God
I'm living to worship You

Chorus

This is only for You, for You
God, my heart belongs to You, to You
I live only for You, for You
This is only for You
