SketchUp

I create visual concepts and systems that are guided by areas of opportunity in the user experience of a product. I am proactive in learning how to use technology to deliver dynamic and engaging user experiences.

WORK EXPERIENCE

Untitled ID

Visual Designer

June 2021 - Present; Toronto, Canada

Working directly with the founder of a design agency in Canada to research and design unique brand identities for startups. Researched, designed and executed social media campaigns. Formulated brand identity elements for growing startups. Developed websites for clients in Webflow.

Joey Group

Visual Designer

Feb - May 2021; Dar es Salaam, Tanzania

As the sole designer, I brainstormed and led creative executions for new clients. Established a revitalised brand identity and logo for Imani Beauty. Collaborated on redesigning the Saba Saba navigation signage for this year's fair. Designed social media content for various clients, generating over 3,800 in likes overall in 3 months.

The Works Ltd

Graphic Designer

Jul - Dec 2020; Dar es Salaam, Tanzania

Designed e-commerce websites and brand collateral for clients. Collaborated with 3D designers to create 3 branded venues for Corona Beer. Styled brand assets for the Castle Lite Unlocks 2020 festival.

Dentsu Aegis Network

Junior Art Director

Mar - Jul 2020; Dar es Salaam, Tanzania

Cultivated brand relationship with Total and entrusted with designing their social media graphics by Senior Art Director, generating over 2,000 likes and 1,400 video views in engagement over 3 months. Conceptualised detailed campaigns for Sayona Apple Bubbly and Total Coffee & Donuts.
