

Special Offer for Non-Profits, Healthcare Providers and Small Businesses

We're Here to Help.

Get 6 Months Free Cloud Workspace Including Microsoft Office and Teams for up to 10 users

These are unprecedented and challenging times. At StratusWorX, we're focused on helping the best way we know how – by lending our expertise and our turnkey Cloud Workspace service to help businesses and organizations enable their remote workforces.

To help those organizations hardest hit, StratusWorX is offering Non-Profits, Healthcare Providers and Small Businesses the following free package to help enable their remote workers:

- Up to 10 Cloud Workspace user seats
- Microsoft Office with Microsoft Teams, a premier communication & collaboration platform, included
- Free for 6 months with a 1-year term

How it works

StratusWorX Cloud Workspace gives employees access to ultra-secure, high-performing cloud desktops – including software, files, and shared folders – from any location, on any device regardless of OS. Businesses can use their current software licenses or add new software through a simple app store menu. It's quick and easy to set up, and scales globally in minutes.

- Provisions an employee desktop in two minutes or less
- Easy app store menu requires little to no IT expertise
- Employee desktops work on most devices with a browser
- Includes storage, shared folders, backup and disaster recovery
- Ultra-secure
- Simple to scale
