SensoWash® shower toilet seats

SensoWash® Slim

SensoWash® Starck E

SensoWash® Product Information

SensoWash® represents a new range of shower toilet seat with dedicated 'Rearwash' and 'Ladywash' functions.

Duravit provides SensoWash® in different comfort classes:

SensoWash® Starck e and SensoWash®Slim.

SensoWash® Starck e and SensoWash®Slim ceramics conceal the connections supplying water and electricity.

This makes installation simple. There are three stages, pre-installation, toilet installation and the mounting of the shower toilet seat.

The functions themselves - from gentle cleansing to intelligent energy saving mode - offer maximum comfort with very easy operation, as all functions are remotely controlled.
