## Artwork Template

This template can be used as a guide for sizing your artwork. These outlines are based on a Stanley Stella Creator t-shirt, size medium. Our maximum print area is shown in grey 300mm width x 430mm height.

Please place your artwork on the 'Your Artwork' layer.
Make sure all fonts are outlined and all strokes are expanded.

If you need any help you can email us at info@perisandcorr.com

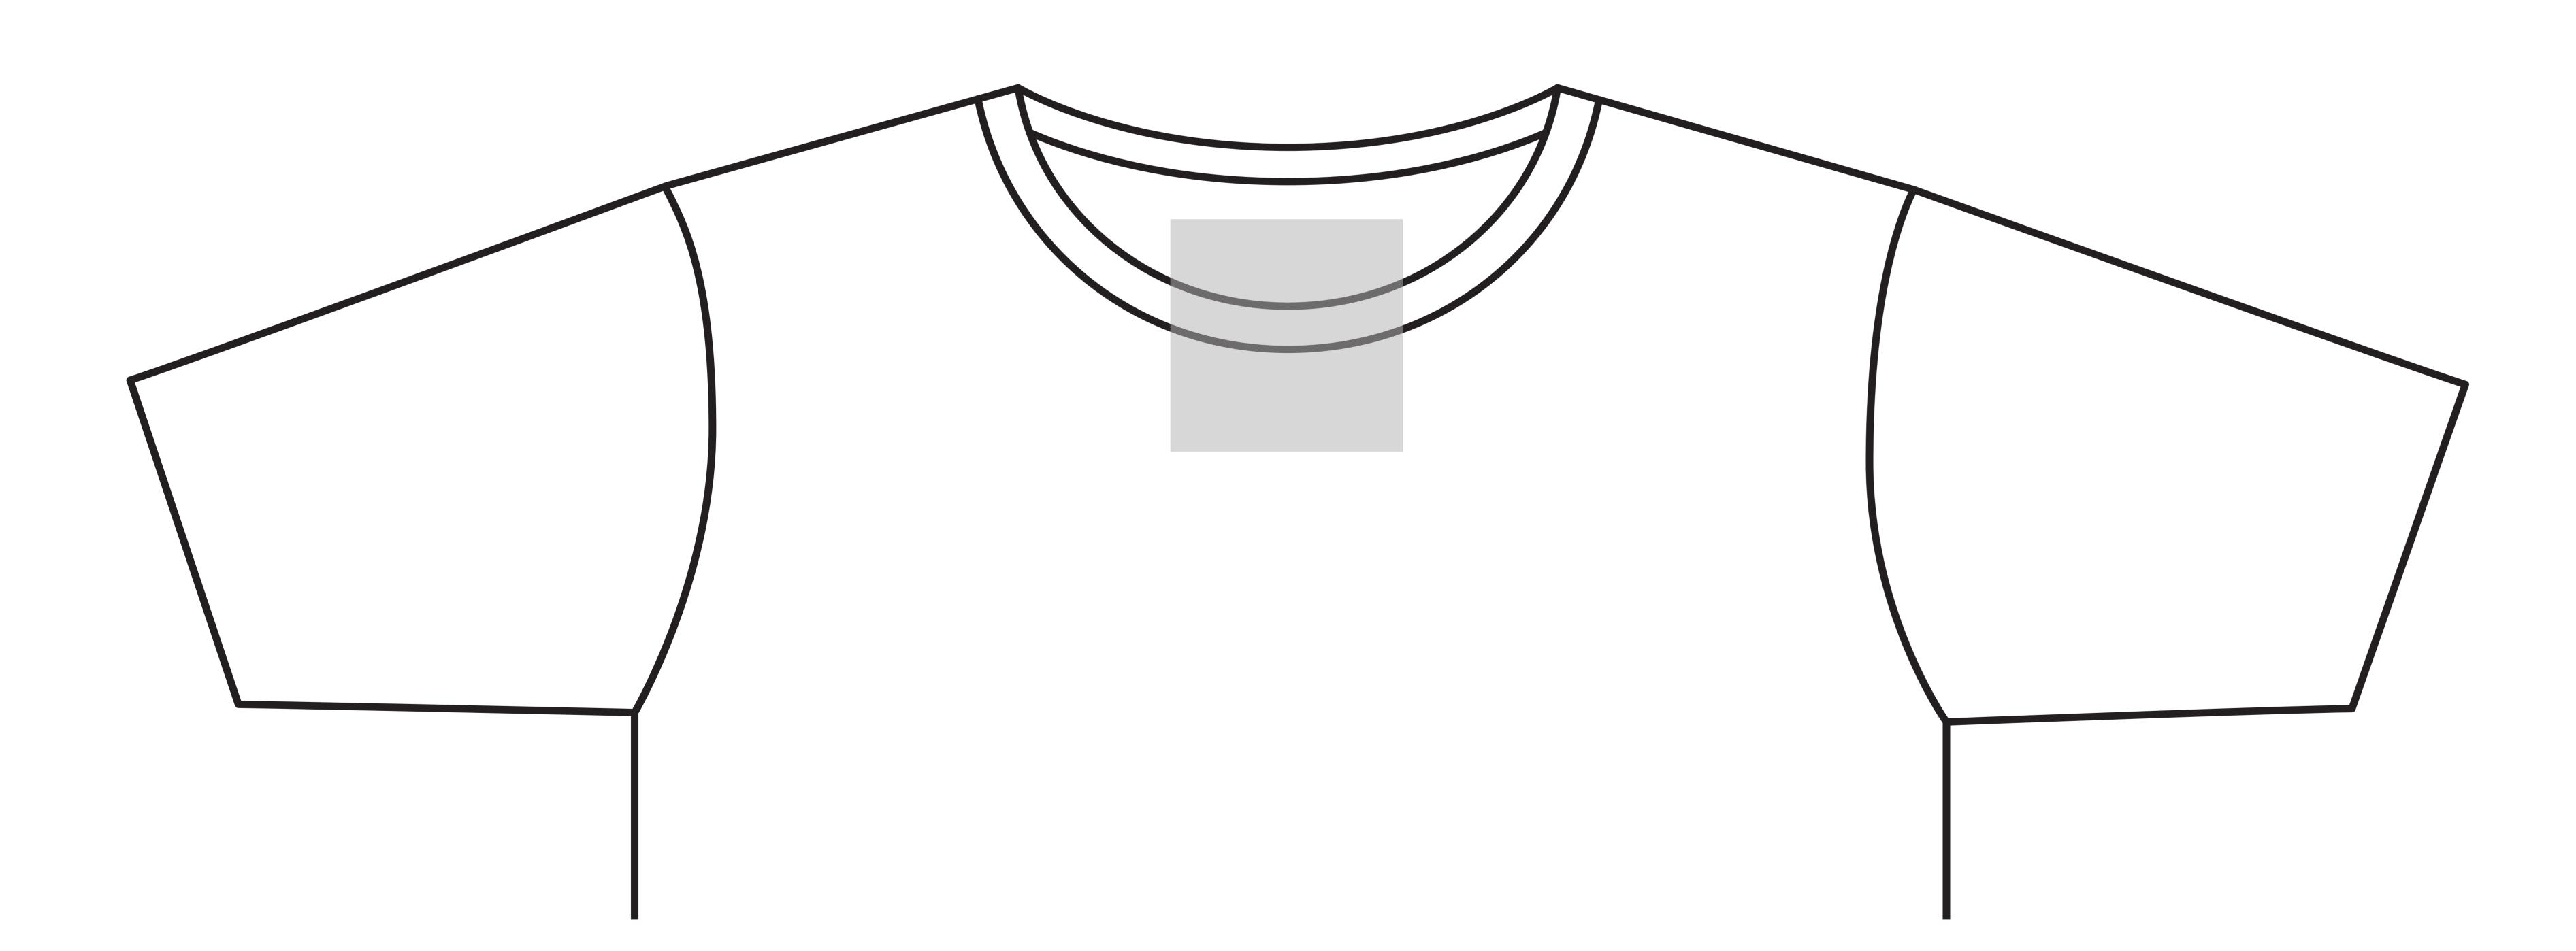

## Front Print

Max Print Size: 30 x 43cm

## Back Print

Max Print Size: 30 x 43cm

We can print up to a maximum of four ink colours in one design.

Please specify ink colours as Uncoated Pantone references. We print with water-based inks only so the ink will have a matt finish similar to the uncoated reference.

Hex references are not suitable for printing, printed colours will look diferent to how they appear on your monitor / display.

For more information on possible print locations please refer to our 'Print Placement' download.

## Inside Neck Print

Max Width: 9cm
