LAUNDRY COMPLETE

Formulated and Enhanced with
Zetrisil[®]
A PROPRIETARY SILICONE QUATERNARY SOLUTION

My-shield[®] Laundry Complete is a unique, fast-acting, product that sanitizes, deodorizes and softens all machine washable fabrics. My-shield[®] Laundry Complete removes the most unpleasant of odors without the fear of damage or discoloration of sensitive fabrics.

EPA REGISTRATION PENDING

My-shield[®] Laundry Complete is in the process of US EPA registration and is suited for household and commercial use alike. It's ideal for sanitizing and deodorizing any commercial or household fabrics including sporting equipment, uniforms, hospital linens, hotel curtains and even the removal of pet and cigarette odor all while sanitizing all machine washable fabrics.

KILLS 99.99% OF HARMFUL GERMS

My-shield[®] Laundry Complete is a fast acting sanitizer and deodorizer that kills 99.99% of harmful germs and viruses, while deodorizing and softening all machine washable fabrics during the washing process. With a single application My-shield[®] Laundry Complete sanitizes and deodorizes with continued protection against microbial reinfection for up to 60 days.

ALCOHOL, BLEACH AND CHLORINE FREE

Most laundry additives available on the market today contain compounds that can be dangerous to our health and the environment, corrosive to surfaces, and harmful to fabrics. My-shield[®] Laundry Complete is safe and gentle enough to be used by the entire family while powerful enough for commercial applications.
