## **ABOUT TAMRA**

Tamra Early has built her entire career on trust, accountability and doing right by her clients. She was with Farmers Insurance Group for 28 years and has been an agency owner since 2004. She has a deep knowledge of all aspects of the insurance business and knows her coverage inside and out.

Her decision to launch the Early Insurance Agency was based on her loyalty to her clients, not the carriers. Fewer, better clients mean longer, better relationships, and relationship-building is the key to Tamra's philosophy and success.

Let her uncover the right coverage for you.
