

# NOTHING ELSE

## Part 2: Welcome to Grace Land

---

### INTRODUCTION

As we continue in our journey to think more about Jesus and discover more about Him, we uncover one of the most important concepts in the Bible – grace. Grace is the foundation of Christianity, the essence of salvation, and the best gift we could ever receive.

---

### LET'S TALK ABOUT IT

---

1. Have you ever thought about Jesus as someone who loves to celebrate and party? Why or why not? If not, would you consider entertaining this idea? How might that influence your life?
2. Have you ever lost something and then been completely overcome by joy and/or relief when you found it? Share the story.
3. Where do you feel you spend a majority of time living – “Worthy Land” or “Grace Land?”
4. If you’re currently living in “Worthy Land,” what about moving to “Grace Land” is appealing? Is there anything that keeps you from making this move?
5. How do you think receiving and accepting Jesus’ grace continually (because receiving grace is not a one-time thing) might impact your life and the lives of those around you?

### THIS WEEK

---

Grace says:

*“You are forgiven. You are wonderful. You are worthy. You are not condemned. You are my son that I will never forsake or abandon. You are my daughter that I will never forsake or abandon. You are enough. You are loved. You are valuable. You are redeemed. You are a new creation.”*

This week listen to the voice of grace, the voice of Jesus. Choose to leave Worthy Land and live in Grace Land.

“And from **him** we receive **grace** heaped upon more **grace!**”

John 1:16
