

June 16, 2021

Dear Kairos Family,

With the lifting of the COVID-19 restrictions this past week by the State of California, we wanted to provide some updates to Kairos' COVID-19 policies and procedures.

For the remainder of June, we will continue to have the same policies and procedures that are in place, but **starting the first Sunday of July (July 4th), we will begin implementing the following modifications:**

- **Outdoor Seating:** Starting in July, we will no longer have outdoor seating for our in-person services.
- **Online Services:** Though we will no longer have outdoor seating, we will continue to have online streaming at the 10:45 am service for those that are unable to join us inside the sanctuary.
- **Temperature Check/Hand Sanitizers:** We are thankful that since we have implemented temperature checks, there has not been a need to turn anyone away due to a high reading. We will no longer be taking temperatures as part of the check-in process. Additionally, we will have self hand-sanitizing stations available at the entrance for our guests.
- **Masks:** Masks will be recommended but no longer required for those who are fully vaccinated. We want to encourage everyone to be considerate of the varying comfort levels within our church family, to honor and respect each other's personal decisions and needs when it comes to masks and social distancing.
- **Pre-Registration:** We will continue to keep registrations and check-ins for contact tracing purposes until the end of August where we will re-assess this process.
- **Refreshments:** Snacks will continue to be served in-between services for both 1st & 2nd service attendees.

Thank you all for your continued prayer and support as we navigate through all of the transitions this past year and a half. We've truly been blessed to see what God has been doing in and through our church and are eager to see what God will continue to do, drawing people to Him and maturing us as the body of Christ. It has truly been a joy during this re-gathering process to see so many returning and new faces that have joined our church family during the pandemic. May we continue to grow in love and honor for one another.

If you have any additional questions, please feel free to email kairoschurchsd@gmail.com.

Grace and Peace,
Kairos Staff
