

## **FEED THE FUTURE – FINANCIAL AID APPLICATION FOR SMALL PRODUCERS**

Small farms in Northern California are eligible for grants from Feed the Future because they are an integral part of the local food supply chain. Eligible farms must meet the following criteria:

- Be located in Northern California
- Market directly to restaurants, retail, or the public at farmers markets
- Experience one (or more) of the following qualifying events:

An unavoidable economic downturn

A natural disaster that cripples infrastructure, such as an earthquake, wildfire, or weather event.

Temporarily filling a void in the business caused by a pandemic or natural disaster, or the loss of a principal partner in the business as a result of a pandemic or natural disaster. It should be demonstrated that the business has a reasonable plan for how it can survive such a transition.

The failure or loss a major piece of equipment or infrastructure that is central to the business because of a natural disaster.

Require a new piece of equipment, technology, or other significant infrastructure improvement or project that will make the business better able to cope with the consequences of a future natural disaster, improves efficiency, and/or allows the business to be more productive (i.e. barn, water source, tractor).

A new small farming venture by a farm proprietor whose previous operations were unexpectedly shuttered due to unforeseen events.

**Funds are limited;** therefore, priority will be given to applications of those are not eligible for government aid.

Please complete the following application and return it to [info@feedthefuture.org](mailto:info@feedthefuture.org)  
Your application will be sent to a third-party for eligibility determination and review.
