DELIVERY

Virtual

This one-day training course will focus on BC(A)R, S.I. No. 9 of 2014, and in particular on the compliance and certification regime by industry practitioners, the course will also examine how BC(A)R 2014 Inspection and Certification System uniquely addresses the critical challenges of the complex issues faced in the construction sector, as well as the required Competence of Certifiers and the level of resources required.

This is a must attend training course for anyone working as, Assigned Certifier, Design Certifiers or Ancillary Certifier. All attendees will get a chance to engage in an informative Q & A session, and will receive a highly informative course pack.

Course Content

- The Statutory Certificates in S.I. No. 9
- Assigned Certifier's Role
- Designer's Role
- The Ancillary Certificates agreed by the Professional Bodies and the CIF
- Inspection Plans
- Liability of the consulting engineer
- The 4 No. Practice Notes produced by the Professional Bodies and the CIF to provide guidance to practitioners on the Ancillary Certificates, Inspection Plans & Documentation
- The Code of Practice for Inspecting and Certifying Buildings and Works
- When it all goes wrong

Who Should Attend

This CPD course will be of interest to all Building and Design professionals including, current Assigned Certifiers, Design Certifiers or Ancillary certifiers, as well as contractors, surveyors, architects, engineers, specialist contractors, local authority executives and technical managers, material manufacturers, suppliers to the building sector, government department officers with direct or indirect contact with the building and design sectors, industry associations, representative bodies, educators and regulators.

Certification

On completion of this one-day training course, you will receive your Certificate of Attendance. Please note certificates are issued at the close of the training course to participants on completion of the course. You will also receive a full course pack to refer to at any time in the future. Please check directly with your association or awarding body to see how many points they will award.
