

Environmental Policy Statement

Veritas Property Management Ltd is committed to conducting its business activities in an environmentally responsible manner. The business recognises the need to continually improve its operations, where practical to do so, to reduce the effects to the environment.

To achieve these overall objectives, the following policy has been adopted. Providing the necessary resources, in the form of equipment, personnel and time, to ensure the implementation of this environmental policy statement.

Veritas Property Management will also:

- Provide adequate and appropriate information, instruction, training and supervision.
- Seek to reduce consumption of materials in its operations and promote reuse and recycling whenever possible.

To set annual environmental objectives and targets allowing measurement of improvements in environmental targets.

Minimise the impact of our buildings, structures, and operational plant so that we minimise visual, noise and other impacts on the local environment.

To encourage our suppliers and subcontractors to improve environmental performance.

ENERGY AND WATER

- To reduce energy usage, where possible, by good housekeeping or energy management schemes.
- To select the most effective energy sources

WASTE

- To ensure disposal is carried out by professional licensed waste management contractors.
- To reduce the use of paper through good housekeeping and paperless information technology transfers whenever possible.
- To recycle wherever possible.

POLLUTION CONTROL

- To minimise possible pollution in all its forms, whether excess noise or atmospheric.
- The site will develop and maintain an Emergency contingency Plan and Practice Procedures for dealing with spillage incidents.
