

2020 Canadian Economics Olympiad results

Thank you very much for participating in 2020 Canadian Economics Olympiad and congratulation to the winners! The Olympiad questions were intentionally made hard to separate very good students from the best. Out of maximum possible 160 points, the maximum score is 132, minimum is 9, mean = 51.5, median = 47.5. The histogram of the score distribution is given at the end of this document.

Winners:

- 1st place: Andy Wei (Markville SS, Markville, ON); score = 132
- 2nd place: Jinwei Li (Forest Hill CI, Toronto, ON); score = 107
- 3rd place: Zhening Li (Sir John A. Macdonald SS, Waterloo, ON); score = 106
- 3rd place: Richard Yang (Victoria Park CI, Toronto, ON); score = 106
- 5th place: The student has requested his/her name not to be posted

National Finalists (top 10%)

- Kevin Wang (Bayview SS, Richmond Hill, ON); score = 98
