

## Privacy Policy – Blue Canyon Technologies LLC

### Who We Are

Our website address is: <http://www.bluecanyon.io>

What personal data we collect and why we collect it

### Comments

When visitors leave comments on a site we collect the data shown in the comments form, and have the ability to collect the visitor's IP address and browser user agent string to help spam detection. An anonymized string created from an email address (also called a hash) may be provided to a Gravatar service to see if you are using it. The Gravatar service privacy policy is available here: <https://automattic.com/privacy/>. After approval of a comment, your profile picture is visible to the public in the context of your comment.

### Media

If you upload images to the websites, you should avoid uploading images with embedded location data (EXIF GPS) included. Visitors to the websites can download and extract any location data from images on the website.

Contact Forms or Comments

### Cookies

If you leave a comment on our sites, you may opt-in to saving your name, email address and website in cookies. These are for your convenience so that you do not have to fill in your details again when you leave another comment. These cookies will typically last for one year.

If you have an account and you log in to a site if this functionality is available, we will set a temporary cookie to determine if your browser accepts cookies. This cookie contains no personal data and is discarded when you close your browser. When you log in, we may also set up several cookies to save your login information and your screen display choices. Login cookies typically last for two days, and screen options cookies last for a year. If you select "Remember Me", your login will persist for two weeks. If you log out of your account, the login cookies will be removed.

If you edit or publish an article, an additional cookie will be saved in your browser. This cookie includes no personal data and simply indicates the post ID of the article you just edited. It expires after 1 day.

### Embedded content from other websites

Articles on our sites may include embedded content (e.g. videos, images, articles, etc.). Embedded content from other websites behaves in the exact same way as if the visitor has visited the other website. These websites may collect data about you, use cookies, embed additional third-party tracking, and monitor your interaction with that

embedded content, including tracing your interaction with the embedded content if you have an account and are logged in to that website.

### **Who we share your data with**

We do not share of your data with any outside source other than that data required in order to provide the applicable service as offered within the websites.

### **How long we retain your data**

If you leave a comment, the comment and its metadata are retained indefinitely. This is so we can recognize and approve any follow-up comments automatically instead of holding them in a moderation queue.

For users that register on our websites (if any), we also store the personal information they provide in their user profile. All users can see, edit, or delete their personal information at any time (except they cannot change their username). Website administrators can also see and edit that information.

### **What rights you have over your data**

If you have an account on the sites, or have left comments, you can request to receive an exported file of the personal data we hold about you, including any data you have provided to us. You can also request that we erase any personal data we hold about you. This does not include any data we are obliged to keep for administrative, legal, or security purposes.

### **Where we send your data**

Visitor comments may be checked through an automated spam detection service. We also use Jetpack (<https://jetpack.com/>) to count visitors who visit our websites. More information regarding the information they collect can be found here: <https://automattic.com/privacy/>.

### **Our contact information**

Our contact information can be found on our Contact Us Page:

### **How we protect your data**

Your data is protected utilizing a Let's Encrypt Authority X3 Certificate and full HTTPS encryption. More information regarding the certificate can be found here: <https://letsencrypt.org/documents/isrg-cps-v2.3/>

### **What data breach procedures we have in place**

No personal or confidential data is stored on our websites. Any information you provide during sign-up is kept at the users' expense and can be removed or exported at any time.

## Privacy Notice

This privacy notice discloses the privacy practices for [Blue Canyon Technologies LLC \(BCL\)](#). This privacy notice applies solely to information collected by [BCL](#). [BCL](#) will best effort notify you of the following:

1. What personally identifiable information is collected from you, how it is used and with whom it may be shared.
2. What choices are available to you regarding the use of your data.
3. The security procedures in place to protect the misuse of your information.
4. How you can correct any inaccuracies in the information.

### Information Collection, Use, and Sharing

We are the sole owners of the information collected. We only have access to/collect information that you voluntarily give us via email or other direct contact from you. We will not sell or rent this information to anyone.

We will use your information to respond to you, regarding the reason you contacted us. We will not share your information with any third party outside of our organization, other than as necessary to fulfill your request, e.g. to ship an order.

Unless you ask us not to, we may contact you via email in the future to tell you about specials, new products or services, or changes to this privacy policy.

### Your Access to and Control Over Information

You may opt out of any future contacts from us at any time. You can do the following at any time by contacting us via the email address ([info@bluecanyon.io](mailto:info@bluecanyon.io)).

- See what data we have about you, if any.
- Change/correct any data we have about you.
- Have us delete any data we have about you.
- Express any concern you have about our use of your data.

### Security

We take precautions to protect your information. When you submit sensitive information, your information is protected both online and offline.

Where applicable, wherever we collect sensitive information (such as credit card data), that information is encrypted and transmitted to us in a secure way. You can verify this by looking for a lock icon in an address bar and looking for "https" at the beginning of the address of one of our Web pages.

While we use encryption to protect sensitive information transmitted online, we also protect your information offline. Only employees who need the information to perform a specific job (for example, billing or customer service) are granted access to personally identifiable information. The computers/servers in which we store personally identifiable information are kept in a secure environment.

**If you feel that we are not abiding by this privacy policy, you should contact us immediately via email at [info@bluecanyon.io](mailto:info@bluecanyon.io).**
