If you vote in person, stay safe, wear a mask, and abide by social distancing standards.

If you vote by mail we recommend dropping off your ballot at a dropbox or at your county elections office instead of mailing it to ensure it arrives safely.

When filling out a paper ballot make sure to select only one option for each election or question and fill in the oval completely with a black or blue pen.

If voting by mail be sure to use **BOTH envelopes**, the secrecy envelope and the mailing envelope otherwise your vote may not be accepted. Also ensure that you sign the mailing envelope to verify your identity or your vote may not be accepted.
