OLV can now accept these
major payment methods

The option for recurring monthly deductions from a bank account (ACH) will continue as it has in the past. These transactions are processed each business day on or immediately following the 25th of the month. The fees charged to OLV for this option are a highly cost-effective way to give. Parishioners enrolled in this ACH method are encouraged to continue! And, if this giving time frame fits your budget, fill out the **bright orange form** found in the entryway of the church and we'll get it set up for you!
