TechWadi Community and investors across Silicon Valley meaningful connections and

ENTREPRENEURS Mentored MENA entrepreneurs Hosted networking and educational events Hosted networking and DIFC Event: Fintech Opportunities in MEASA TechWadi Iftar 2019 QSTP Event: QSTP Research to Startups 2019 Annual Forum Acceleration Programs to strengthen business ties between Jordan and the U.S. We see TechWadi as a key partner in AmCham-the importance of our joint work geared towards expanding opportunities for Jordanian entrepreneurs and Jordanian Ministry of Digital Economy and Entrepreneurship, the WBG, USAID and others is a testament to knowledge and dedication of the TechWadi team has been instrumental to the success of the matchmaking to be incredibly beneficial as we share the same goals of supporting Jordanian tech entrepreneurs to access "AmCham-Jordan is proud of its partnership with TechWadi. We have found our engagement with TechWadi I have met with entrepreneurs from Egypt, Lebanon, Palestine, Bahrain, and Jordan, and I leave each get exposed to Bay Area companies, attend workshops on topics including design thinking, funding, mentoring session inspired. It has been exciting to see companies such as Mumm, a home-based food I have been fortunate to be a TechWadi mentor for several years. TechWadi brings promising entrepreneurs succeed even in the Silicon Valley, it can position them better to overcome challenges and grow their Jordan; and Inggez, an on-demand fitness platform based in Palestine continue to grow and thrive. mentoring session inspired.
