Experience

March 2020 - Present

Big Racket Pictures, LLC. - *Producer, Founder*

- Established my own production company to produce and finance my first short narrative film that required three days of filming across three locations
- Hired and managed the crew of 12, negotiated location fees and equipment rentals to fit within the \$10,000 budget, and now supervising post-production and planning for distribution
- Successfully implemented testing, sanitation, and social distancing guidelines as outlined by Hollywood's unions to ensure set safety amid the global pandemic

August 2020 - Present

Chuck Lorre Productions, Warner Bros. Lot - *COVID Coordinator*

- Applied CDC and Entertainment Union testing and safety guidelines to support Bob Hearts Abishola's safe return to work
- Began as a PA and was quickly rewarded greater responsibilities due to my technical prowess
- Programmed an automated email system to inform the ~125 person crew of their upcoming testing, developed a lunch ordering system to help crafty accommodate new meal prepackaging rules, called on to solve computer and other technical issues daily
- Also assisted on: NBC's *Songland* S2, Nickelodeon's *Danger Force* S1, Tribeca film *Cowboys*

December 2018 - December 2019

Anheuser-Busch, Van Nuys, CA - *Planning Manager*

- Managed a team of four to create the production schedule for the company's most complex brewery - scheduling 10 lines to meet demand for 200+ product/package configurations
- Worked as a liaison between all brewery departments to ensure all operational, brewing, safety, and quality constraints were accounted for in my schedule
- Managed teams of ~13 Teamsters to meet daily warehouse and shipping productivity targets

Education

2013 - 2017

Purdue University, West Lafayette, IN

Bachelor of Science in Industrial Engineering - Dean's List; GPA 3.5/4.0

Skills

- Accustomed to working long hours in a high-pressure, fast-paced environment
- Excellent at prioritizing tasks and proactively identifying and addressing critical problems
- Advanced skills in Microsoft Office Suite (Outlook, Excel & VBA, Word, PowerPoint, Access)
- UCLA Extension Screenwriting 401 - learned story structure and script coverage
