

Village Comparison Document

Retirement Villages Act 1999 (Section 74)

ABN: 86 504 771 740

This form is effective from 1 February 2019

Name of village: Esperance Hope Island

Important information for the prospective resident

- The Village Comparison Document gives general information about the retirement village accommodation, facilities and services, including the general costs of moving into, living in and leaving the retirement village. This makes it easier for you to compare retirement villages.
- The *Retirement Villages Act 1999* requires a retirement village scheme operator to:
 - provide a copy of the Village Comparison Document to a prospective resident of the retirement village within seven days of receiving a request
 - include a copy of the Village Comparison Document with any promotional material given to a person, other than through a general distribution (e.g. mail-out)
 - publish the Village Comparison Document on the village's website so that the document, or a link to it appears prominently on each page of the website that contains, or has a link to, marketing material for the village
- You can access a copy of this Village Comparison Document on the village website at www.brooklandvillage.com.au
- All amounts in this document are GST-inclusive, unless stated otherwise where that is permitted by law.

Notice for prospective residents

Before you decide whether to live in a retirement village, you should:

- Seek independent legal advice about the retirement village contract – there are different types of contracts and they can be complex
- Find out the financial commitments involved – in particular, you should understand and consider ingoing costs, ongoing fees and charges (which can increase) and how much it will cost you when you leave the village permanently
- Consider any impacts to any pensions, rate subsidies and rebates you currently receive
- Consider what questions to ask the village manager before signing a contract
- Consider whether retirement village living provides the lifestyle that is right for you. Moving into a retirement village is very different to moving into a new house. It involves buying into a village with communal facilities where usually some of the costs of this lifestyle are deferred until you leave the village. These deferred costs when you leave your unit may be significant.
- Seek further information and advice to help with making a decision that is right for you. Some useful contacts are listed at the end of this document, including:

- Queensland Retirement Village and Park Advice Service (QRVPAS) which provides free information and legal assistance for residents and prospective residents of retirement village. See www.caxton.org.au or phone 07 3214 6333.
- The Queensland Law Society which can provide a list of lawyers who practice retirement village law. See www.qls.com.au or phone: 1300 367 757.

More information

- If you decide to move into a retirement village, the operator will provide you with a Prospective Costs Document for your selected unit, a residence contract and other legal documents.
- By law, you must have a copy of the Village Comparison Document, the Prospective Costs Document, the village by-laws, your residence contract and all attachments to your residence contract for at least 21 days before you and the operator enter into the residence contract. This is to give you time to read these documents carefully and seek professional advice about your legal and financial interests. You have the right to waive the 21-day period if you get legal advice from a Queensland lawyer about your contract.

The information in this Village Comparison Document is correct as at 21 December 2020 and applies to prospective residents.

Some of the information in this document may not apply to existing residence contracts.

The application
---	--

Provide details and timeframe of development or proposed development, including the final number and types of units and any new facilities.

(Material Change of Use MCU/2019/249 approved 6 May 2020 (Retirement facility, food and drink outlet, health care services, office and shop)) was approved by Council on 6 May 2020 (**Development Approval**).

An application for a minor change to the Development Approval was lodged on 30 September 2020 (**MC Application**). The MC Application is expected to be approved by 31 December 2020.

Subject to further approvals (for operational works and plumbing and drainage works), the operator intends to progressively develop the Village in 4 stages as outlined in the MC Application as follows:

- Stage 1: construction of 76 accommodation units;
- Stage 2: construction of 85 accommodation units;
- Stage 3: construction of 76 accommodation units; and
- Stage 4: construction of 75 accommodation units.

In relation to Stage 5 (80 accommodation units), please refer to 'Dealings with Village Land' below for details about the scheme operator's intention with this area.

When construction is complete the Village may comprise of:

- A mix of 2 and 3 bedroom independent living apartments and independent living villas;
- Facilities including the following:
 - Function and meeting rooms;
 - Cinema;
 - Outdoor bar area;
 - Dining room;
 - Multi-purpose rooms;
 - Café (user-pays basis);
 - Hair salon and beauty salon (user-pays basis);
 - Library;
 - Gym;
 - Pool;
 - Outdoor pool;
 - Wellness area;
 - Admin/reception/concierge area;
 - Outdoor landscaped recreation areas;
 - Other outdoor gardens and landscaped areas;
 - Kayak storage;
 - Men's shed; and
 - Off street bicycle parking.

The scheme operator does not guarantee that the above facilities will be constructed and/or provided. Whether the above facilities are

constructed and/or provided will depend on a number of factors including demand for units in the Village, market conditions, availability of finance, timing for approvals, weather events, strikes and restrictions arising under public health directions in response to a public health emergency.

Dealings with Village Land

- The Development Approval requires the operator to dedicate the boardwalk (front, water facing) portion of the Village Land on Lot 1 on SP306111 (at the date of this village comparison document) to Council by registration of a plan of survey. When that occurs (before the first resident moves into stage 1 of the Village), the boardwalk area will be owned and maintained by Council.
- The Development Approval requires the operator to grant certain access and maintenance easements over Village Land (as then comprised) in favour of Council and/or utility providers. The details of these easements are available on request or in a prospective costs document.
- The area the subject of stage 5 of the Development Approval in the west corner of the Village Land (Lot 1 on SP306111) will be subdivided from the Village Land (in one or more lots) and then one or more of the lots may be dealt with in one or more of the following ways:
 - developed as part of the Village in accordance with a new development approval (subject to Council approval) approving the development of accommodation units;
 - sold as vacant land to an aged care facility developer (subject to Council approval);
 - developed (in whole or part) as an aged care facility (subject to Council approval);
 - developed (in whole or part) as an aged care facility (subject to Council approval) and leased or sold to an aged care facility operator or other purchaser; or
 - sold or leased as vacant land to another purchaser.
- An area of approximately 6,000m² (the southern portion of the Village Land, separated from the retirement village development site by road) does not form part of the proposed retirement village development and the operator intends to subdivide that area from the Village Land and/or separately develop, lease or sell that area in the future.
- The retail space, road side, under the buildings to be constructed in stages 2, 3 and 4 of the Development Approval may:
 - be leased to retail tenants; or
 - subdivided from the Village Land (in one or more lots and subject to council approval) and then one or more of the lots may be dealt with in one or more of the following ways:
 - leased to retail tenants; or
 - sold to a purchaser.

	<p>Some or all of the above proposed construction or dealings with the Village Land may constitute 'redevelopment' for the purposes of section 113C of the <i>Retirement Villages Act 1999</i>.</p> <p>Residents of the Village will be required to acknowledge the following in the residence contract:</p> <ul style="list-style-type: none"> • construction activity may be ongoing when the resident moves into the Village; and • the operator reserves the right at its discretion to: <ul style="list-style-type: none"> ○ construct the Village in stages; ○ construct further accommodation units, including as part of future stages at the Village; ○ alter the type, size, configuration or design of the units; ○ relocate, reconfigure, renovate, redevelop, extend and/or improve any facilities; ○ subdivide or further subdivide a lot comprising the Village Land; ○ construct additional rooms or areas in the Village to be used for the purpose of office, temporary accommodation or administration; and ○ alter the size of the Village, by incorporating additional or adjoining land into the Village or disposing of, or removing, land forming part of the Village. <p>Timing</p> <p>Subject to local government timing to issue required approvals and the scheme operator receiving approval on conditions satisfactory to it, it is anticipated that construction of stage 1 will commence between November 2020 and February 2021.</p> <p>This date is an estimate only as at the date of this document and the scheme operator does not guarantee that construction will begin on this date.</p> <p>The development of stages 2 to 4 will be progressive and timing for commencement of construction will depend on a number of factors, including demand for units in the Village, market conditions, availability of finance, timing for approvals, weather events, strikes and restrictions arising under public health directions in response to a public health emergency.</p>
<p>5.3 Redevelopment plan under the Retirement Villages Act 1999</p>	<p>Is there an approved redevelopment plan for the village under the <i>Retirement Villages Act</i>?</p> <p><input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</p> <p><i>The Retirement Villages Act may require a written redevelopment plan for certain types of redevelopment of the village and this is different to a development approval. A redevelopment plan must be approved by</i></p>

the residents of the village (by a special resolution at a residents meeting) or by the Department of Housing and Public Works.

Note: see notice at end of document regarding inspection of the development approval documents.

|--|--|

Note from the scheme operator:
The majority of these facilities will be available when stage 1 of the development is completed and the first residents move into the village. Other facilities will be available in subsequent stages. See part 5 for details of future facilities and development of the village.

Details about any facility that is not funded from the General Services Charge paid by residents or if there are any restrictions on access or sharing of facilities (e.g. with an aged care facility).

Facilities on the village land

- **Hair and beauty salon, café and allied health rooms:** The hair and beauty salon, café and allied health rooms (if built) may involve a commercial arrangement between the scheme operator and a third party provider. These arrangements may involve the use of certain village facilities by the relevant providers and their employees, agents and contractors and residents will not be able to access these facilities (e.g. café back of house or behind counter), except to use the services provided on a user pays basis.
 - **Café:** Certain operating costs for the café area (including a portion of land rates) will be funded by the scheme operator making a contribution to the general services charges fund based on:
 - a calculation of the proportionate area; or
 - if the charge is on a consumption basis (e.g. electricity and water consumption), an estimate by the scheme operator having regard to advice from a qualified consultant about approximate consumption used within the café area.

Income from any commercial arrangement (e.g. rental income) for this service will not be received into the general services charges fund. Services provided to residents from the café are on a user pays basis (e.g. food and beverages).
 - **Hair and beauty salon and allied health rooms:** Operating costs (excluding equipment and consumables provided by third party) for the hair and beauty salon area and allied health services areas will be funded from the General Services Charges paid by residents and income from a commercial arrangement for these facilities will be received into the General Services Charges fund. Services provided to residents from these areas are on a user pays basis (e.g. consultation with an allied health professional).
- **Retail areas:** The development includes retail areas on the road side of the village, under the buildings to be constructed in stages 2, 3 and 4 of the development. The scheme operator will enter into a commercial arrangement with a third party for the lease/licence of these retail areas. These arrangements may involve the use of certain village facilities by the relevant tenants and their employees, agents, contractors, customers and other invitees. Residents will not be able to access these areas, except as a customer to the retail tenants, along with other members of the public. The operating costs for these retail areas will be paid separately by the scheme operator and not from the General Services Charges paid by residents. Income from a commercial arrangement for these retail areas will not be received into the General Services Charges fund.

Any arrangements relating to the access and use of the village facilities in relation to the above are yet to be finalised and remain subject to change.

Except for the retail areas noted in this part 6.1, no village facilities are open to the general public.

6.2 Does the village have an onsite, attached, adjacent or co-located residential aged care facility?

Yes No

Name of residential aged care facility and name of the approved provider: N/A

Note from scheme operator: *An aged care facility may be constructed adjacent to or co-located with the village on the area described as the stage 5 land in the Development Approval. The aged care facility (if built) may involve a commercial arrangement between*

the scheme operator and a third party provider. Any arrangements relating to the aged care facility are yet to be finalised and remain subject to change.

Further details regarding the above arrangements will be made available to residents at the relevant time.

Note: Aged care facilities are not covered by the *Retirement Villages Act 1999 (Qld)*. The retirement village operator cannot keep places free or guarantee places in aged care for residents of the retirement village. To enter a residential aged care facility, you must be assessed as eligible by an Aged Care Assessment Team (ACAT) in accordance with the *Aged Care Act 1997 (Cwth)*.

Exit fees may apply when you move from your retirement village unit to other accommodation and may involve entering a new contract.

Other costs:

For Option 1, Option 2 and Option 3 Leases:

- In addition to the Community Contribution Fee, all lease registration costs and surveying costs for lease plan (if any)

Note from the scheme operator: *The Community Contribution Fee is a non-refundable upfront management fee for the period from the Commencement Date to the Termination Date. The Community Contribution Fee is payable in addition to the exit fee.*

Part 10 – Ongoing Costs - costs while living in the retirement village

General Services Charge: Residents pay this charge for the general services supplied or made available to residents in the village, which may include management and administration, gardening and general maintenance and other services or facilities for recreation and entertainment described at 7.1.

Maintenance Reserve Fund contribution: Residents pay this charge for maintaining and repairing (but not replacing) the village’s capital items e.g. communal facilities, swimming pool. This fund may or may not cover maintaining or repairing items in your unit, depending on the terms of your residence contract.

The budgets for the General Services Charges Fund and the Maintenance Reserve Fund are set each financial year and these amounts can increase each year. The amount to be held in the Maintenance Reserve Fund is determined by the operator using a quantity surveyor’s report.

Note: The following ongoing costs are all stated as weekly amounts to help you compare the costs of different villages. However, the billing period for these amounts may not be weekly.

Notes from scheme operator: The amounts in the above table are the estimated amounts based on the general services budget and maintenance reserve fund budget for the 2021/2022 financial year (being the anticipated first year of operation of the village) and may be subject to change.

The general services charge and maintenance reserve fund contributions will increase from time to time in the manner allowed under the Act.

The general services charge and maintenance reserve fund contributions are based on the number of units anticipated to be constructed at the retirement village (i.e. 312 units).

The general services charge and maintenance reserve fund contributions are payable in advance on the first day of each month, or any other day as notified by the scheme operator from time to time.

Part 16 – Insurance

The village operator must take out general insurance, to full replacement value, for the retirement village, including for:

- communal facilities; and
- the accommodation units, other than accommodation units owned by residents.

Residents contribute towards the cost of this insurance as part of the General Services Charge.

16.1 Is the resident responsible for arranging any insurance cover?

If yes, the resident is responsible for these insurance policies:

Yes No

If yes, the resident is responsible for these insurance policies:

- Contents insurance (for the resident's property in the unit);
- Public liability insurance (for incidents occurring in the resident's unit);
- Workers' compensation insurance (for the resident's employees or contractors); and
- Third-party insurance (for the resident's motor vehicles or mobility devices).

Part 17 – Living in the village

Trial or settling in period in the village

17.1 Does the village offer prospective residents a trial period or a settling in period in the village?

Yes No

Pets

17.2 Are residents allowed to keep pets?

If yes: specify any restrictions or conditions on pet ownership

Yes No

Pets are welcome, if the scheme operator's prior consent is obtained.

Visitors

17.3 Are there restrictions on visitors staying with residents or visiting?

If yes: specify any restrictions or conditions on visitors (e.g. length of stay, arrange with manager)

Yes No

Visitors may stay with a resident for up to 1 month (in total) in any 12 month period. Longer stays are allowed with the scheme operator's prior consent. The resident must stay in the unit at the same time as their visitor and must inform the scheme operator if a visitor stays overnight.

Village by-laws and village rules

17.4 Does the village have village by-laws?

Yes No

By law, residents may, by special resolution at a residents meeting and with the agreement of the operator, make, change or revoke by-laws for the village.

Note: See notice at end of document regarding inspection of village by-laws

17.5 Does the operator have other rules for the village.

Yes No

If yes: Rules may be made available on request

Note from the scheme operator: *Due to the village being under construction, the scheme operator will have village rules available before practical completion.*

Resident input

17.6 Does the village have a residents committee established under the Retirement Villages Act 1999?

Yes No

By law, residents are entitled to elect and form a residents committee to deal with the operator on behalf of residents about the day-to-day running of the village and any complaints or proposals raised by residents.

You may like to ask the village manager about an opportunity to talk with members of the resident committee about living in this village.

Part 18 – Accreditation

18.1 Is the village voluntarily accredited through an industry-based accreditation scheme?

No, village is not accredited

Yes, village is voluntarily accredited through:

Note: Retirement village accreditation schemes are industry-based schemes. The *Retirement Villages Act 1999* does not establish an accreditation scheme or standards for retirement villages.

Part 19 – Waiting list
