

Come, Make Way

Breanne Ming, Brian Ming
CCLI # 7178471

Verse 1:

Our ears have heard the whispering
Our hearts have felt the wrestling
The world is waiting
For the king to come
For your return

Verse 2:

Our eyes have seen your faithfulness
Our hands outstretched in reverence
The world is waiting
For the king to come
For your return

Chorus:

Come, make way
For the king is soon to come
Shout your praise
For the king is soon to come
Prepare the way
For the king is soon to come
The Spirit and the bride say come

Bridge:

Awaken us to life
From darkness into light
We will be the church arising
With heaven open wide
We stand and testify
The King of kings is soon arriving
