Why Choose Us?

01

Time is ticking

We, at Crewscale, understand that money equals time and accelerate the hiring process through automated processes. Say goodbye to months of hiring process! We facilitate the end to end process in a week, let alone months.

02

Quality over Quantity

All candidate profiles at Crewscale are initially vetted through automated parsing. The next evaluation happens through a 3-step process: The basic data structures and algorithms test, the domain expertise test, and a domain-specific project-based assessment.

03

Price assurance

You want to grow your business without burning a hole in your pocket right? We provide pre-vetted candidates with a price range of \$20-80 per hour.

What are you waiting for?

For executing ideas, one needs a team of experts and for that, we are here to cover you! Start now with a 2-week risk-free trial.
