

Valeria Sinclair-Chapman

Dr. Valeria Sinclair-Chapman is an Associate Professor in the Department of Political Science at Purdue University. Broadly construed, her research examines how previously marginalized groups gain inclusion in the American political system.

Valeria is a seasoned workshop moderator, and has worked with URU on a variety of D & I workshops, particularly those that were presented at the National Academy of Science and UT of Southwestern. She is the co-author with Crystal R. Emery and Laura Bottomley of “*Creating a Bridge to Sisterhood*,” to be presented at the 2021 Collaborative Network for Engineering and Computing Diversity Conference.
