What will my key responsibilities be?

- Paediatric caseload management in accordance with professional standards: assessment, diagnosis, planning, documentation, implementation and evaluation of intervention programmes for Kidd Talk clients
- Maintenance of all professional standards of practice as required by CORU (Health and Social Care Professionals Council)
- Building and maintaining close working relationships with parents, caregivers, colleagues and other relevant professionals in maximising client potential.
- Contribution to the development and implementation of procedures, policies and guidelines while adhering to existing standards and protocols.
- Contribution to the development of relevant social media content
- Seek advice and assistance with any assigned cases or issues that prove to be beyond the scope of the therapist's professional competence in line with principles of best practice
- Participation in mandatory and recommended training programmes
- Implementation of other duties as assigned by the team manager
- Engagement with reflective practice and supervision with a designated supervisor
- Engagement with planning and performance reviews as required by the team manager

Where will I be working?

- Our clinic room is located at Waterford Health Park, Slievekeale Road, Waterford city.

What experience do I need to have?

- Qualified speech and language therapist
- CORU Registration
- Sufficient command of English language
- Strong communication and interpersonal skills
- Skilled at building and maintaining working relationships
- Efficient at planning and managing resources
- Relevant professional indemnity insurance

What will I earn ?

- Remuneration of 40-60% (contractor)
- Opportunity for full staff employment after a probation period of 6 months
- Opportunity for annual performance bonus
- Substantial training budget available

What are the benefits of working with Kidd Talk SLT?

- Dedicated support team
- Full training and regular supervision provided
- Career progression within a rapidly expanding organisation
- Substantial training and CPD budget available
- Performance review and bonus programme
