

**ROOFERS**world

**Red Ripper®**

Smart roofers know that time is money and that's why they choose the Original Red Ripper®, the strongest and best shingle removal tool in the world. Like all Roofers World pro tools, the Original **Red Ripper®** is unique, best in class, tough, convenient and easy to use.

**The Red Ripper®** shingle shovel is made from reinforced and heat treated carbon steel with a lightweight ash hardwood handle.

- Removes nails, screws, and staples in one pass moving forward and backwards
- Ergonomically efficient
- Improves productivity

**RRD:** 46" handle with a D-grip

**RRL:** 48" long handle
