

ROOFERSworld

LADDER MOUNT™

Benefits

Safety - Manufactured from rugged polypropylene with rubber pads to prevent the ladder from slipping.

Gutter protection - Weight is transferred from the gutter to the fascia which prevents your ladder from crushing delicate gutters.

Convenience - Easy positioning from the ground with the use of an extension pole/broom, two storage trays for your tools, screws and sundries and holes to secure with a bungee cord.

Features

- Fits any 5" or 6" gutter
- Accepts ladders up to 18-1/2" wide
- Measures 18-3/4"L x 7" W x 6-1/2"H
- Manufactured in bright safety yellow that makes it hard to misplace

INSERT IN GUTTER
