

Securing your business. Protecting your people. Insuring your future.

Solutions tailored to manage the risks you
face today and those you will face tomorrow.

TASK Insurance Group

Innovation • Experience • Commitment

Our promise to you is our commitment

In times like these, your business deserves and demands a committed risk management partner to help you build a responsive, multi-faceted and collaborative business strategy. We provide solutions based on a thorough knowledge of your industry and a strong understanding of the risks you face today and will face in the future.

At TASK Insurance Group, our commitment and promise to you is a relationship empowering your company to access excellence across a range of Commercial, Employee Benefits, Safety and Personal Insurance solutions. Excellence in the advice and risk insights you receive. Excellence in the knowledge, experience and client focus of professionals who collaborate with you to help you achieve your business goals.

When you work with TASK Insurance Group, ***consider it done!*** Our team of seasoned insurance and risk management professionals includes a leadership team averaging 100 years of industry experience. Insurance experience that we will bring to the table to address the specific needs of your business.

How we help sets us apart

Since 2013, TASK has been providing all-inclusive insurance solutions with dedicated service across multiple industries and markets across the US. We are headquartered in the Chicago suburbs, but our reach is national. We are licensed in all 50 states and our team of seasoned professionals will mobilize to provide insurance solutions wherever you need us most.

TASK is not a typical Insurance Agency, but a trusted partner with a long-standing reputation known for guidance, flexibility and problem solving while providing a commitment that we will be there to answer questions both in the near and long-term. Our highly-trained insurance team with an average of 100 years of industry experience, managing over 900 clients, take pride in each and every one, regardless of company size. When you engage our services, TASK professionals will conduct audits of existing insurance policies to help make sure you have the right coverage and risk management tools for your unique needs.

When you have difficult risk management challenges to resolve or simply want a trusted partner to help guide your successful risk management journey, consider TASK Insurance Group and ***consider it done!***

WE ARE TASK

Industries we serve

TASK Business Insurance Experts bring in-depth industry experience throughout all Property and Casualty lines. This knowledge is applied when designing flexible, comprehensive insurance programs for the unique challenges and goals of every client, including:

- Automotive
- Distribution
- Food & Beverage
- Food Processing
- Manufacturing
- Technology
- and more...

With special expertise providing insurance to such hard-to-place risks as ice arenas.

We provide distinctive, one-stop solutions for our clients current and emerging risks, including a full range of surety and bonding capabilities. Whether the need is Cyber, Crime, Employment Practices Liability or any other distinctive policy coverage enhancement, our team will design solutions based on knowledge of the risks you face today and will face tomorrow.

100 years of experience serving clients in the Food & Beverage, Meat Packing and related industries

More than 50 years of creating Benefit Portfolios to help accommodate the ever changing Healthcare landscape

An industry leading team of professionals averaging **100 years as professional insurance brokers** and advisors

Trusted by more than **900 growing clients in the Midwest and across America**

Whatever your needs, we have the solution

Commercial

TASK Business Insurance Experts bring in-depth industry experience throughout all Property and Casualty lines, knowledge they apply when designing flexible, comprehensive insurance programs for the unique challenges and goals of every client.

Employee Benefits

TASK Employee Benefits Specialists help clients navigate an evolving health insurance environment prevalent with uncertainty, complexity, and regulatory requirements. TASK helps clients with cost-effective programs for clients' most important assets: their people.

Risk Management

Specialized TASK Risk Management Advisors are uniquely trained to help organizations identify, assess and mitigate risks, recommending tailored risk improvements and providing claims advocacy that can make a significant impact in the total cost of risk.

Personal

TASK Personal Lines Counselors provide individuals and families with access to some of the insurance industry's best known and most trusted companies, providing premier solutions for everything from home and auto insurance to life, health, and disability.

Growing to Serve You

TASK Insurance Group is licensed in all 50 states and has a presence in two of our country's most dynamic and important markets and centers of commerce – the Chicago area where we were founded as well as Houston, one of the nation's largest growing cities.
