

How to apply for a GEMIC position step by step

- 1- Download the application form available on both the Facebook page Admis GEM 2023 and our website ("Join us" section).
- 2- Fill in the form you just downloaded
- 2- Go to our website (geminvestmentclub.com) and click on "Join us".
- 3- Fill in the blanks with your information and select your program (PGE/BIB/MSc)
- 4- Upload the completed questionnaire with the UPLOAD FILE button
(zip the file if it is too big)
- 5- Submit your application

We will come after you as soon as possible to schedule your interview and give you a stock you'll have to analyze. Be concise (+/- 5 mins) and do not panic if you are a newcomer in finance. We do not ask you to be a professional yet, try your best and we will see your determination through your pitch in any way.

IMPORTANT :

Do not forget that GEMIC members must pay 350 € at the beginning of the year for investing purposes. The cash will be given back at the end of the scholar year (fully if we gained money or in proportion to our losses). If you can't afford this amount, please contact us so that we can discuss it. **Money issues must not be a hurdle in your application**, if you pass the interview successfully, we will come up with a solution.

Note that GEMIC members meet every Thursday afternoon (you do not have class) for almost 3 hours. This means that you must be free at the scheduled time (no Charla meeting).
