### ADORATION

#### “Find Our Lord in Adoration”

If we contemplate the risen Christ, if we try to look at him with an unclouded vision, we shall understand in a profound way that it is possible now also to follow him closely, to live our lives close beside him in such a way that they expand and acquire a new meaning.

After doing this for some time a personal relationship will gradually become established between Jesus and ourselves, a loving faith, that can be today, after the passing of twenty centuries, just as authentic and strong as the faith of those who contemplated him risen and glorious and still bearing the signs of his Passion in his Body. We will notice that, with ever-greater naturalness, we will find ourselves referring to our Lord everything that forms part of our existence and see that we wouldn't be able to live without him. Finding Our Lord will mean for us at times a patient and laborious search, beginning and beginning again every day, perhaps even having a distinct impression that we are only at the very beginning of our interior life. Nevertheless, if we struggle, we will always grow closer to Jesus. But it is important that we should never allow discouragement to enter our souls through possible setbacks, which will often be only apparent anyway.

The example of Mary Magdalene, who persevered in fidelity to our Lord in moments of difficulty, teaches us that whoever sincerely and constantly seeks Jesus will end up finding him. And in any circumstances whatever of our lives we will find him much more easily if we start out on our search led by the hand of Our Lady, our Mother, to whom we say in the ‘Hail Holy Queen’: *Show unto us the blessed fruit of thy womb, Jesus.*

**A huge thank you to all the teachers who brought their students to Adoration during the school year!**

Show Jesus your faith and love in Him by coming to Adoration, come visit Jesus during Adoration on Tuesday from 1 - 10 pm and every Wednesday from 8 am - 6 pm.
